SECTION I: INSTRUCTIONS TO PROPOSERS/ GENERAL INFORMATION

A. PURPOSE. The Arkansas Development Finance Authority (ADFA) and the Arkansas Game and Fish Commission (AGFC) are requesting proposals from bond counsel firms to serve as the counsel for the issuance of state agency revenue bonds to provide financing for the acquisition of a conservation easement on approximately 20,000 acres of land located along the Saline River. The project will allow AGFC to secure the land for use for public purposes. The projected capital costs for the project are expected to be approximately \$10 million.

AGFC license sales revenues for the year ending June 30, 2006 were \$20,314,672. Repayment for the bonds is expected to come from these fees.

Preliminary consideration should be given to AGFC's ability to pledge these licenses sales revenues.

B. SUBMISSION OF PROPOSALS. Written proposals responding to the questions and requests for information in the manner specified in this Request For Proposal ("RFP") should be submitted to the following:

rfp@adfa.state.ar.us

To be considered, one (1) copy of the proposal should be delivered to ADFA not later than September 11, 2006, by 12:00 p.m, via email. All proposals shall be time and date stamped upon receipt. Late proposals will not be accepted. ADFA reserves the right to reject any or all proposals.

C. ADDITIONAL INFORMATION. It is the responsibility of the proposer to inquire about and clarify any aspect of the RFP. Questions should be directed to Gene Eagle (geagle@adfa.state.ar.us), Vice President for Development Finance at 501-682-5905 or Patrick Patton (ppatton@adfa.state.ar.us), Vice President for Internal Audit at 501-682-5902. Substantive questions and answers will be documented in letter form and will be sent by electronic mail to those who provide us with an e-mail address. **IN ORDER TO BE ON THE DISTRIBUTION LIST FOR INTERNET TRANSMISSION OF ALL RESPONSES TO INQUIRIES, YOU MUST IMMEDIATELY ADVISE PATRICK PATTON OF ADFA, THE INTERNET E-MAIL ADDRESS TO WHICH YOU WANT ALL SUCH TRANSMISSIONS SENT.**

D. PROPERTY OF ADFA. Any information or materials submitted as a response to this RFP shall become the property of ADFA and will not be returned. All submitted materials will be available for public review.

E. RESPONSE TO REQUEST FOR PROPOSAL. Law firms wishing to respond to this RFP can interact and contact Patrick Patton, Chair of the Staff Professional Selection Committee. **NO CONTACT WITH ADFA BOARD MEMBERS IS ALLOWED AND ANY SUCH CONTACT WILL BE GROUNDS FOR IMMEDIATE REJECTION OF A FIRM'S PROPOSAL.**

F. PROPOSAL TIMETABLE.

August 28, 2006	Request for Proposal Issued
September 11, 2006	Proposals Due @ 12:00 p.m.

G. SELECTION PROCESS. The ADFA Staff Professional Selection Committee will review the submitted proposals. Proposals will be evaluated based on responses to specifics outlined in the Proposal Format section of this RFP and based upon the selection criteria. Proposals which omit any of these items may be rejected as non-responsive. From this review, a select group of firms may be chosen for oral interviews. All proposing firms will be advised of the firms selected for oral interviews, if necessary. After interviewing, the Board of Directors Professional Selection Committee will make its decision on a recommendation for selection, which will be reported to the Board of Directors of the Authority at its September 21, 2006, regular meeting. The final selection will be made by a vote of Board members.

ADFA may at any time prior to the selection of bond counsel reject any and all proposals and cancel this RFP, without liability therefor, upon finding that there is good cause for rejecting all proposals and that it would be in its interest to cancel the solicitation. Further, ADFA shall under no circumstances be responsible for any proposer costs and expenses incurred in submitting a response to this RFP. Each proposer who submits a response does so solely at the proposer's cost, risk and expense. ADFA accepts no responsibility for the return of successful or unsuccessful proposals. This RFP in no way obligates ADFA to select a firm.

Any firm selected will be required to complete a disclosure form in compliance with Governor's Executive Order 98-04.

H. SELECTION CRITERIA. The Staff Professional Selection Committee, composed of selected members of ADFA, will review the proposals. SECTION III: STATEMENT OF QUALIFICATIONS

An updated statement of qualifications should be maintained on file at ADFA for all firms submitting proposals as bond counsel.

SECTION IV: PROPOSAL FORMAT

A. TRANSMITTAL LETTER. A brief transmittal letter prepared on the proposer's business stationery should accompany the submitted proposal.

B. PROPOSAL. The proposal should be labeled "Proposal to serve as Bond Counsel for Arkansas Game and Fish Conservation Easement Purchase". The proposal must contain sufficient information to enable the ADFA Staff Professional Selection Committee to evaluate the proposal. It should be prepared in a clear and precise manner and should address all appropriate subsections.

- 1. **Bond Counsel Team and Personnel.** Describe the manner in which you would organize your firm's resources to serve as bond counsel for the proposed financing. In doing so, please address the following questions or issues:
 - 1. Identify the individual who will manage this financing on a day-to-day basis. Define this individual's position within the firm and indicate the degree to which he or she will be able to commit the firm's resources to ADFA. What is this person's availability for this financing and what other commitments does he or she have?

2. Identify other professionals from your firm who will be assigned to work on this project, their roles and responsibilities and relevant aspects of their background. How will these individuals work with the other members of the financing team?
2. **Bond Counsel Opinion.** Confirm whether your firm can issue opinions necessary for the issuance of debt instruments under existing law. If legislative action is needed before an opinion can be given, provide a brief summary of such legislation. Describe any other legal issues which must be resolved before the financing program can be completed.
3. **Comments on Scope of Services.** Elaborate on the services you propose to perform as bond counsel for the proposed financing. In what way do you expect the scope of services to differ from those listed in Section II? Also, can revenues derived from gas leases on AGFC land be pledged and are they considered Cash Revenues?
4. **Arkansas Presence.** Please explain your firm's presence within Arkansas and describe how that presence is relevant to the proposed transaction.
5. **Potential Conflicts.** List any relationship which might lead to a potential conflict in performing any services for ADFA. Please list specifically any conflicts resulting from material adverse matters, as distinguished from the conduct of business as usual. Indicate what steps would be taken to eliminate any such conflict.
6. **Rationale for Appointment and Proposal Summary.** This section of the proposal should be used by each proposer to present the case for its appointment to the position sought. It is not necessary for you to recite comprehensively your firm's qualifications and experience, which should be on file with ADFA in your current Statement of Qualifications, but it would be useful for you to describe how your qualifications and experience is relevant to the proposed transaction. In particular, you may want to select, e.g., three (3) past deals as bond counsel (indicating the date of issue, issuer, credit description, size and method of sale) and summarize their similarity to this program and their successfulness.

7. **Malpractice Insurance.** Acknowledge that if selected as bond counsel, your firm will provide to ADFA proof of malpractice insurance covering, among other things, securities-related claims. Please list any pending claims or disputes relating to prior opinions as bond counsel.
8. **Bond Counsel Fee Determination.** Selection of a bond counsel will not be based on a competitive bid. ADFA will attempt to negotiate with the top ranked firm to establish a fair and reasonable fee. If an agreement cannot be reached with the top ranked firm, negotiations will be attempted with the lower ranked firms in order of their rankings.

Provide the basic assumptions on which your firm's fee would be predicated and any factors that would change the actual fee. State what you consider to be the most appropriate method for determining a reasonable attorney fee for this representation, and state your rationale.

9. **Equal Opportunity Statement.** Please submit your Equal Opportunity Policy to ADFA in accordance with Arkansas Act 2157 of 2005. This act requires any firm wishing to respond to an RFP or submit a proposal or statement of qualifications to provide ADFA with your Equal Opportunity Policy.
10. **Acceptance.** Submission of proposals, in response to this Request for Proposal, constitutes acceptance of all conditions, requirements and limitations described in this document.
