

Authorization to Administer Immunization Certification

For the initial issuance of an Authorization to Administer Immunization Certification, you will need to submit:

The 12-hour APhA Immunization Certification course certificate
AND
A copy of your current AHA CPR card

If you have previously been certified to administer immunizations and have let your certification lapse, you will need to submit the following in order to reinstate your certification:

2 hours of immunization CE
AND
A copy of your current AHA CPR card

You may fax this to 501-682-0195 or email it to asbp@arkansas.gov.

Please read [Regulation 09-00-0002](#) regarding immunizations.
