CONTINUING EDUCATION APPROVAL

The Arkansas State Board of Pharmacy is pleased to approve the Continuing Education (CE) program on the attached *Request for Approval Form*. Please provide a copy of the approved form to all participants in attendance for your full program that complies with the time frame requested. Please also accept our thanks for your participation in the provision of live continuing education for pharmacists in your community.

The Board provides this reminder that your submission of a CE approval form to the Arkansas State Board of Pharmacy for a specified time (i.e., one hour, etc.) and your signature as the applicant for the approval is your affirmation that you ensure the program will deliver the specified time of continuing education. (e.g., a one-hour program approved by the Board must last sixty (60) minutes.)

NOTICE: If the Board determines that the amount of continuing education requested is not the amount of continuing education that is presented, the Board will rescind the approval and void the hour(s). Additionally, the applicant shall be denied the privilege of requesting future CE approval from the Arkansas State Board of Pharmacy.

If you have questions or concerns, please feel free to contact the Board office at (501) 682-0190.
