INTRODUCTION TO SENTENCING STANDARDS

Arkansas has joined a growing number of states and the federal government in adopting sentencing standards. Sentencing standards vary widely in purpose and application. The Arkansas standards defined in Acts 532 and 550 of 1993 serve the purposes of equity in sentencing, i.e. similar sentences for similar offenders with similar criminal histories and proportionality in sentencing by creating a balanced correctional system which reserves the most serious sanctions for the most serious offenders.

How the standards work.

The sentencing standards structure adopted in Arkansas is a voluntary procedure for use by those directly involved in sentencing - judges, prosecutors and defense attorneys. The **Arkansas Sentencing Standards Grid** has been adopted by the Arkansas Sentencing Commission pursuant to legislative authority and the Administrative Procedures Act. See Section I. It is applicable to crimes which occur on or after January 1, 1994. A **presumptive sentence** for a **typical case** is determined on a grid with two dimensions: **offense seriousness** and **offender history**.

Offense seriousness is determined by reference to a table adopted by the Commission which lists all felony crimes in one of ten levels of seriousness. See Section II. **Offender history** is determined by reference to the statute, A.C.A. 16-90-803 which allocates points for different levels of felonies, misdemeanors, certain juvenile adjudications and custody status at the time that a crime was committed.

Arkansas Code Annotated §16-90-803(b)(1)(C) states that “the most frequently occurring offenses within each seriousness level are listed on the vertical axis of the sentencing standards grid.” Because there is not sufficient space in the sentencing standards grid cells, individual pages representing each seriousness level of the standards grid have been included in this manual. Each page contains a list of the most frequently occurring offenses within that particular seriousness level. Please note that this list does not always represent a complete list of offenses for that seriousness level, only the most frequently occurring offenses. A complete list of offenses, with their applicable effective dates, may be found in the **Seriousness Rankings** section of this manual. Each page also contains the grid form with the presumptive sentence, minimum time to be served prior to transfer eligibility, and the presumptive range. The statutory range for classifications of offenses occurring with each seriousness level is also included on the individual grid pages.

Please note that Act 186 of 2005 removed the five percent (5%) range above or below the presumptive sentence. The **presumptive range** listed on the individual grid pages of this manual is applicable to those offenses committed prior to July 1, 2005, (the effective date for the Act).

Determining the **presumptive sentence** for a particular offense is a starting point for the process. The presumptive sentence is not intended to be the sentence in a particular case unless in the judgment of the prosecutor and the defense attorney and/or the judge, the offense represents a **typical case** based upon their experience and knowledge. If the case is non-typical, the procedure is defined for departing from the presumption. **The full statutory range of punishment is available for all cases.**

Departure criteria and procedures are defined in the Code and the only requirement imposed for a departure from the presumptive sentence is that written reasons be provided by the parties to the court when there is an “agreed departure” from the presumptive sentence. The court shall attach the written reasons to the judgment and forward them to the Commission. A Departure Form is provided by the Commission which lists statutory **aggravating factors** and **mitigating factors** and a space for other reasons. See Section III. Departure criteria are not limited to those listed in the legislation.

Act 1179 of 2001, codified at A. C. A.16-90-803 (a)(1)(B), clarifies that sentencing guidelines do not apply to probation revocation proceedings. This legislation was enacted in response to the Arkansas Supreme Court’s decision in *Martin v. State*, 337 Ark. 451, 989 SW2d 908 (1999), finding that the guidelines did apply. Thus, departure reports are not required in revocation proceedings.

Sentencing Standards

Identical Acts 532 and 550 of 1993 created the Arkansas Sentencing Commission and authorized the creation of the Sentencing Standards Grid and Seriousness Rankings. These acts are codified as follows:

ARKANSAS SENTENCING STANDARDS GRID POLICY STATEMENTS

Regional Correctional Facilities

Only defendants who have been found guilty of a "targeted" crime are eligible to be sentenced to a Regional Correctional Facility. Sentences to a Regional Correctional Facility should only be utilized for those who the Court would otherwise sentence to the Department of Correction. The Sentencing Commission strongly encourages local courts to utilize the services of the Regional Correctional Facilities in lieu of penitentiary time in appropriate cases.

Felony DWI

Current law provides a minimum of one (1) year of community service as the only alternative sanction available for DWI (felony). Incarceration sentences must be a minimum of a one (1) year (12 months) commitment to the Arkansas Department of Correction. No departure form is required.

Minimum Sentences

The Commission recognizes that the presumptive sentences recommended in some cells of the grid may fall below the minimum sentence to imprisonment for the classification of an offense, (Pursuant to A.C.A. 5-4-104). A court may sentence a defendant to a term of imprisonment and suspend imposition of sentence as to an additional term of imprisonment up to or over the minimum sentence.

ADDENDUM TO SERIOUSNESS REFERENCE TABLE

A.C.A.16-90-803(b)(2)Offender History - provides that the criminal history score based upon prior felony criminal records is to be determined by reference to the seriousness level rankings of the prior offenses. Levels I - V are equal to one-half (.5) point and Levels VI - X are equal to one (1) point.

CRIMINAL HISTORY: OUT-OF-STATE CONVICTIONS

For the purpose of determining criminal history scores, prior felony convictions from other state jurisdictions shall be ranked at the level of the most comparable offense in this State. The determination of which Arkansas offense is comparable to the out-of-state offense when there is a question of fact or law, shall reside in the sound discretion of the court.

CRIMINAL HISTORY: REDEFINED OFFENSES

If an offense has been redefined by the Arkansas General Assembly, a prior felony conviction shall be ranked in the same manner as an out-of-state conviction with consideration of any new or removed elements. For example, the prior definition of burglary in Arkansas did not specify the element of the type of occupiable structure, i.e. residential or commercial, sentencing courts should determine when possible whether a prior conviction for burglary involved a residence in which case one criminal history point should be assigned as the prior offense is comparable to residential burglary (Level VI) or involved a commercial structure in which case one-half point should be assigned as the prior offense is comparable to commercial burglary (Level V).

OMITTED OFFENSES POLICY

If a felony offense has been inadvertently omitted from the seriousness reference table, the trial court shall exercise its discretion by designating a seriousness level which it believes to be appropriate.

Commitment and Dispositions Forms

See A.C.A.16-90-402

Who is responsible for judgment and commitment forms?

Accurate commitment forms are essential for the Department of Correction to determine how long to keep a particular offender on a particular offense and when he may be eligible for release. A uniform form is the responsibility of the Department of Correction, the Arkansas Judicial Council and the Arkansas Prosecuting Attorneys' Association. The Arkansas Supreme Court adopted Administrative Order Number 8 - Forms for Reporting Case Information in all Arkansas Trial Courts on February 26, 1996. This Order makes the office of the prosecuting attorney responsible for completion of Judgment and Commitment and Judgment and Disposition forms. Current judgment forms may be downloaded from the Administrative Office of the Courts web site at <http://courts.state.ar.us/aoc/forms.cfm>.

Following submission to the circuit judge for his signature, these forms are filed with the circuit clerk and a copy forwarded to the Administrative Office of the Courts. A certified copy of a Judgment and Commitment is to be delivered by the sheriff with the defendant to the Department of Correction.

Which form do I use: Judgment and Commitment or Judgment and Disposition?

Use a Judgment and Commitment form for a term of incarceration in the Department of Correction or a judicial transfer to a Department of Community Correction Regional Correctional Facility.

Use a Judgment and Disposition form for all other types of sanctions including: 1) a term of probation, 2) probation plus a term of incarceration in a Regional Correctional Facility (Probation Plus), 3) suspended imposition of sentence, 4) fines, 5) any other type of alternative sanction that does not involve a term of incarceration in a Department of Correction prison unit or a Department of Community Correction Regional Correctional Facility pursuant to a Judicial Transfer.

Critical data elements on Commitment forms which are often omitted or incorrect

It is critical that judgment and commitment forms are accurately prepared. The DOC intake procedure includes faxing a copy of completed, signed commitment forms to them for the offender to be placed on the waiting list. The forms are checked for sufficiency and omissions need to be corrected before the DOC can take custody of an offender. Training is available from the Sentencing Commission staff on completing forms.

The following data elements are often omitted or incorrect and result in amendments being necessary and delays incurred. *This is not an all inclusive list, but is prepared for form instruction purposes only.*

1. Offense date - release laws are determined by the date of the offense. Without an offense date, release eligibility cannot be determined.
2. Offense classification - release eligibility may be determined by the offense class
Transfer eligibility - whether an offense is above or below the transfer eligibility line may be determined by the class of the offense
Drug offenses - the schedule of the drug may affect the class and release eligibility

Inchoate offenses - solicitation, attempt and conspiracy are one class lower than the substantive crime which may affect their release eligibility

Misdemeanors - persons cannot be committed to the DOC for misdemeanors,

3. Inchoate offenses - citing the inchoate statute without the substantive offense does not give sufficient information on why the person is being committed,
4. Total time to serve - this is necessary to determine how long the offender is to be held - it is especially important to avoid problems when additional suspended sentences are imposed and when multiple counts or cases are run consecutively, or in cases where there is an additional term due to an enhancement,
5. Sentence enhancement - this field has been updated on the current version of the Judgment and Commitment and Judgment and Disposition forms. A blank has been added to include the enhanced portion of the sentence. Please see **“Release Eligibility - Enhanced Sentences”** for a discussion on the applicability of Act 1047 of 2007.
6. Criminal History Scores - missing or inaccurate criminal history scores could cause perceived disparities where none exist,
7. Departure reports - without a departure report, an offender whose offense was committed *prior to July 1, 2005*, may be released early. (**Please note:** although the Department of Correction no longer requires a departure report on offenses committed on or after July 1, 2005, a departure report should still be sent to the Sentencing Commission for those cases which result in a departure from the presumptive sentence. Please refer to the Frequently Asked Questions section regarding Departure Reports for a discussion on applicable cases)

Admission Problems with Department of Correction

The commitment form provides the DOC with their legal basis for taking custody of an inmate. The basic information which they must have is: they have the right person (identification information - name, DOB, race, gender, etc); why they can keep him (his crime); how long to keep him (this sentence); when to release him (total time to serve); and the authority committing him (the court, the case, etc.). The requirement in Arkansas Code Annotated § 16-93-1208(a)(2)(A) that “written reason” for a departure accompany a sentence or the inmate is eligible for transfer or release pursuant to the presumptive sentence has been deleted pursuant to Act 186 of 2005. However, departure reports are still required to accompany the sentence for crimes occurring before July 1, 2005 (the effective date of the Act). Please refer to the Frequently Asked Questions section on Departure Reports for complete instructions on Departure Report requirements.

Admission Problems with Department of Community Correction

Offenders being sent to DCC facilities must be target offenders and must not have been disqualified by prior felony convictions of a violent or sexual nature to be accepted in a facility. Local DCC officers will determine eligibility of an offender if contacted prior to sentencing. Different forms are used for the two types of admission: (1) Judgment and Disposition Orders are used for a term of confinement imposed as a condition of probation and (2) Judgment and Commitment forms are used for a “judicial transfer”. The DCC Court Referral Coordinator may be reached by telephone at (501) 682-9563.

“Judicial transfers” are commitments to the DOC with a transfer to the DCC by the judge. The offenders go directly to the DCC and are released from there. Commitments need to reflect a judicial transfer in three places:

1. “Defendant is assigned to...”
2. “Defendant committed a target offense...”
3. “The County Sheriff is hereby ordered...”

Departure Report Forms

When do you use them and when do you not? Where do they go?

Act 186 of 2005 affects the use of departure reports for crimes occurring after July 1, 2005. For all crimes occurring after this date, the trial court may deviate from the presumptive sentence without providing a written justification. However, the Act provides that where there is an “agreed departure” from the presumptive sentence, “written reasons” shall be supplied by the parties to the court to attach to the commitment and to forward to the Sentencing Commission. The report should be completed and forwarded to the Sentencing Commission (1) when there is an agreed upon departure (i.e. plea agreement) from the guidelines, between the prosecution and the defense which is accepted by the court, **and** (2) when (a) the disposition differs from the presumptive disposition; (b) the sentence length differs from the presumptive sentence length; or (c) the disposition and duration differ from the presumptive disposition and duration provided in the guidelines.

This may be a dispositional or a durational departure. It is only for the most serious count in a multiple count case. When using the Departure Form provided by the Arkansas Sentencing Commission, an aggravating reason should be marked if the sentence is an upward departure or a mitigating reason should be marked if the sentence is a downward departure. The parties are to supply the court with written reasons for the departure, or they may use the Arkansas Sentencing Commission Departure Form. The original should be filed with the court file. A copy of the written reasons/departure report, along with a copy of the Judgment and Commitment/Disposition form, should be sent to the Sentencing Commission. Most jurisdictions have either the prosecuting attorney’s office or the court clerk send the Commission a copy of the written reasons/departure report and the judgment and commitment/disposition form. Departure Reports are not required for revocation proceedings. However, the Judgment and Commitment form must state that this commitment is a result of a revocation (please see A.C.A. 16-90-803(a)(1)(B)). Please call the Sentencing Commission at (501) 682-5001 with questions concerning departure reports. In order to eliminate some of the time-consuming paperwork, the Sentencing Commission will continue to notify Prosecutor’s offices when a Departure Report has been unnecessarily prepared.

The following are the most common reasons for unnecessary Departure Reports and the statutory reference for each.

1. Imposed sentence is not a departure from the sentencing standards.
2. Imposed sentence is a result of Probation/SIS revocation. (Departure reasons are not necessary on revocations disposed after 8/13/2001). Please see A.C.A. 16-90-803(a)(1)(B).
3. Jury trial, jury sentenced. Please see A.C.A. 16-90-803(b)(4).
4. Mitigated departure not necessary when AS/RCF is available as the presumptive sentence. Please see A.C.A. 16-90-804(a)(2)(B).

5. Most severe offense was not a departure. Please see A.C.A. 16-90-804(a)(2)(A).
6. Felony DWI. Please see Arkansas Sentencing Standards Grid Policy Statements.
7. Capital murder. Please see A.C.A. 16-90-803(b)(5).
8. Offense was nol prossed or dismissed.

Is a Departure Report needed for a statutory override or an habitual offender?

Yes. Each class of crime has a penalty range set by the legislature which may be enhanced to a higher maximum when the offender is charged as an habitual. These statutory ranges are listed on the individual grids on pages 13 - 23. These minimum and maximum ranges govern over a presumptive sentence which falls below or above such ranges. See A.C.A. 16-90-803(b)(3)(C). More than one class of crime is present at most levels which may result in the presumptive sentence being too high or low for one offense without affecting offenses of a different class.

The Commission recognized that the mandatory prison sentence for felony DWI, which is ranked at level 3, is above the presumptive sentence. The sentencing standards grid does not recommend penitentiary time in the first two history score columns. The Commission has specifically recognized this exception and does not require a departure form for it.

Any other statutory override should be recorded on a departure form. The Commission adopted a modification of the form in October of 1995 to include this factor under the aggravated factor section. "Habitual offender status" may also be noted in the "Other Aggravated" factor space.

Release Eligibility

There are four levels and two standards for release eligibility. The four levels are: 1) 100% of time served as defined at A.C.A. 16-93-609; 2) 70% time served as defined at A.C.A. 16-93-611; 3) one-half and 4) one-third time served with credit for good time as defined at A.C.A. 16-93-1301 and found on the sentencing grid.

Release Eligibility - Standards of Review with 1999 Amendments

The two standards are set out at A.C.A. 16-93-206(b)(2)(B) with the Post Prison Transfer Board being given greater discretion in their review of certain offenses. See A.C.A. 16-93-206(C). Act 1035 of 1999 added certain violent and sexual offenses and removed certain drug offenses. The crimes added are: Murder II, Manslaughter, Negligent Homicide, Sexual Abuse I, Battery I, Domestic Battery I, and Simultaneous Possession of Drugs and Firearms.

100% Time Served

Act 1805 of 2001, codified at A.C.A. 16-93-609, states: "Any person who commits a violent felony offense or any felony sexual offense subsequent to August 13, 2001, and who has previously pleaded guilty or nolo contendere to, or been found guilty of, any violent felony offense or any felony sexual offense shall not be eligible for release on parole by the board." This act defines a violent felony offense or any felony sex offenses as those offenses listed in A.C.A. 5-4-501(d)(2).

Whenever an inmate is admitted to the Department of Correction on one of the enumerated offenses, DOC policy is to conduct a criminal background check. If the background check reveals that the inmate has previously pleaded guilty or nolo contendere to, or been found guilty of one of the offenses listed in A.C.A. 5-4-501(d)(2), then the inmate's time calculation is set at 100% time served. In other words, an inmate sentenced to a five-year sentence must serve five years and a forty-year sentence must serve forty years.

70% Parole Eligibility

Certain offenses will serve 70% of their prison sentence without credit for good time. These offenses are noted on the grids. It is important that Manufacturing Methamphetamine and Drug Paraphernalia Used to Manufacture Methamphetamine be specifically noted on the Judgment and Commitment as it is a subset of the statute and the DOC will not know to apply this release criteria unless it is noted on the commitment. The Methamphetamine offenses were originally scheduled to sunset on April 30, 2002. However, Act 1782 of 2001 repealed the sunset provisions. (See A.C.A. 29-30-162 and 29-30-163). Act 717 of 1999 provides this statute may be waived for juveniles convicted as adults who were merely accomplices.

For persons who have been found guilty, pled guilty, or nolo contendere to the manufacture of methamphetamine or possession of drug paraphernalia with the intent to manufacture methamphetamine and the offense occurred on or after August 12, 2005, Act 1034 of 2005 provides that the seventy-percent (70%) parole eligibility shall include credit for the award of meritorious good time under A.C.A. §§ 12-29-201 and 12-29-202. This does not apply if the person is sentenced to a term of life imprisonment. In no event shall the time served by these persons be reduced to less than fifty-percent (50%) of their original sentence. This Act does not change the parole eligibility percentage for these offenses, therefore, Department of Correction time computation cards will still reflect a seventy-percent (70%) transfer eligibility status, but the transfer eligibility date will be calculated on the *projected* earned good time. *Offenders sentenced for offenses committed prior to the effective date of this act are not subject to receiving good time.* Offenders sentenced to a Regional Correctional Facility via judicial transfer for Paraphernalia used to Manufacture Methamphetamine are still subject to 70% parole eligibility with good time that will not reduce time served to less than fifty-percent (50%) of their original sentence.

Release Eligibility - Enhanced Sentences

Act 1047 of 2007 codifies current practices for calculating parole eligibility on the enhanced portion of felony sentences. This Act basically states that unless otherwise noted in the specific enhancement statute, the percentage of time served shall be the calculated the same as the underlying offense. For example, if an offender is given a sentence enhancement of ten years pursuant to A.C.A. § 16-90-120 and the underlying offense is below the transfer eligibility line on the sentencing grid, the offender would not be eligible for parole until the person serves one-third (1/3) of the term of imprisonment to which the person is sentenced with credit for meritorious good time. Enhancements on underlying offenses above the transfer eligibility line would serve one-half (1/2) less good time, and enhancements on underlying offenses designated as seventy-percent (70%) transfer eligible would serve seventy-percent of the enhancement with good time available on applicable drug offenses.

In order for the Department of Correction to correctly calculate the percentage of time to be serve prior to transfer eligibility, it is imperative that the enhancement portion of the sentence is noted in the offense section of the underlying offense on the judgment and commitment form.

Habitual Offenders - “Two and Three Strikes”

The “two and three strikes” sections of the habitual offender statute, subsections (c) and (d), must also be specifically noted on commitments for the Department of Correction to be aware of their applicability.

Early release from prison

Are the offenders really being kept until their transfer eligibility dates?

Yes, the only exceptions are the Emergency Powers Act (A.C.A. 12-28-601 et seq.) and Boot Camp (A.C.A. 12-28-701 et seq.). Certain offenses are not eligible for boot camp and no offender with a sentence longer than ten years is eligible. Boot camp is a Department of Correction program, not a sentencing alternative. Therefore, eligibility for this program is determined both by statute and DOC programming requirements. Questions concerning eligibility to this program should be directed to the Department of Correction Boot Camp Coordinator.

The Emergency Powers Act was amended during the 2003 legislative session. Subsection (a) refers to early release of inmates when the capacity of the rated capacity of the Department reaches 98%. Inmates who meet the criteria set out in the statute may have their incarceration time shortened by no more than three months. Subsection (b) refers to an overcrowding condition when the count jail backlog exceeds 500. Inmates who have been incarcerated in a Department of Correction facility for a minimum of six months and are serving a sentence for a nonviolent offenses as established by the board may have their transfer eligibility date moved up one year. (Please refer to A.C.A. 12-28-604).

Act 346 of 1975 First Offender Act Codified at A.C.A.16-93-301 et seq.

What is it? How has it changed? Do the standards affect it? How often can it be used?

The “First Offender Act” applies to first offenders who are placed on probation and who are eligible for expungement upon successful completion of their probation term. In general, it has not changed significantly since its original enactment. The standards do not affect it. It can only be used once.

Act 378 of 1975 Alternative Service Act Repealed by identical Acts 531 and 548 of 1993; previously codified at A.C.A.16-93-501

What happened to it?

The “Community Punishment Act” repealed and replaced Act 378. The primary differences are that the Community Punishment Act affects “target offenders” and expungement is performed by the courts, not the Parole Board. Otherwise, the Department of Community Correction now offers confinement as an alternative to the prison beds run by the Department of Correction.

Act 998 of 1995 Expungement Codified at A.C.A.16-90-901 et seq.

When and how can a conviction be expunged?

Clarification of when and how convictions may be expunged or sealed was addressed by this Act in 1995. It provides for new procedures which include a uniform petition and order developed by the Arkansas Crime Information Center. It is important that expungements are entered with all necessary information on a copy of the ACIC order for ACIC, the central repository of records, to know the correct record to seal.

Act 744 of 2007 Expungement

This Act amended various provision relating to expungement. For example:

1. Section one adds A. C. A. § 5-4-105, Expungement and Sealing Options, which outlines the appropriate code sections to reference for expungement and sealing procedures depending on the disposition of the case.
2. Section amends A. C. A. § 16-93-303, Procedure:

- a. to allow a defendant who has not been previously convicted of a felony and who has been placed on probation for a period of not less than one year, to be sentenced to a fine not exceeding three thousand five hundred dollars (\$3,500) or an assessment of court costs without negating the benefits of this section and without constituting a conviction,
 - b. to require that during the period of probation, a defendant must disclose his felony conviction status for: 1) application of any law prohibiting possession of a firearm by certain persons; 2) determination of habitual offender status; 3) determination of criminal history; 4) determination of criminal history scores; 5) sentencing; and 6) the purpose of impeachment as a witness under Rule 609 of the Arkansas Rules of Evidence,
 - c. to require that after successful completion of probation, a defendant must disclose his felony conviction status for” 1) determination of habitual offender status; 2) determination of criminal history; 3) determination of criminal history scores; 4) sentencing; and 5) the purpose of impeachment as a witness under Rule 609 of the Arkansas Rules of Evidence; and
 - d. provides that § 5-73-103, Possession of a firearm by certain persons, governs the eligibility to possess a firearm by a person whose record has been expunged and sealed under § 16-90-901 and § 16-93-303.
3. Section three amends § 16-93-1202(10), by changing the definition of “target group” for the purpose of expungement and a sealing of a record to include any misdemeanor conviction except a misdemeanor conviction for which the offender is required to register as a sex offender or a misdemeanor DWI conviction.
 4. Section four amends § 16-97-1207, Order of court by requiring the sentencing court to issue a written order or commitment if the offender is being committed to a county jail for a misdemeanor offense committed after January 1, 2007.

Firearms, Expungement, and Pardons

No person shall possess a firearm who has been convicted of a felony. A.C.A. 5-73-103(a)(1). The Governor may restore this privilege with a pardon expressly restoring the right or without a pardon under certain circumstances. A.C.A. 5-73-103(d). An expunged conviction may serve as the basis for a conviction under this statute if the offense was committed after March 12, 1995. See Act 595 of 1995; *see also* Attorney General’s Op. 2002-173.

Inchoate Crimes

Codified at A.C.A.5-3-101 et seq.

How are inchoate crimes affected by the standards and Community Correction? How should inchoate crimes be listed on commitment forms?

With the exception of capital murder, attempts, solicitations or conspiracies of a substantive crime are ranked one seriousness level below the substantive offense ranking on the grid. See A.C.A.16-90-803(b)(1)(E). This would have a dual effect for crimes just above the transfer eligibility line as crimes just below the line will be eligible for release sooner as well as having a different presumptive sentence. An inchoate crime for statutory classification purposes is classified one level below the substantive offense, i.e. an inchoate of a Class B offense is a Class C. See A.C.A.5-3-201, 301, and 404. This effect may be significant for eligibility for a Community Correction facility as Class Y controlled substance offenses are not eligible whereas Class A and B controlled substance offenses are now eligible. See A.C.A.16-93-1202. When filling out the Judgment and Commitment/Disposition form, list the substantive statute in “A.C.A. # of offense”, (for instance, 5-10-102), and mark the correct conduct under “Defendant ___attempted___solicited___conspired to commit the offense.”

Because capital murder was statutorily exempted from the sentencing standards, the related inchoate offenses were specifically ranked at seriousness level nine as Class A offenses. Act 1888 of 2005 classified Attempt to Commit Capital Murder as a Class Y offense. This offense is also ranked at a seriousness level nine.

Suspended Sentences

See A.C.A.5-4-104(e)(1)and (3)(Repl.1997)

What does a suspended sentence mean when it is combined with a term of imprisonment and how should it be entered on a commitment form?

A court may sentence a defendant to a term of imprisonment and suspend imposition of sentence as to an additional term of imprisonment. See A.C.A.5-4-104(e)(3) A court may not sentence a defendant to a term of imprisonment and place him on probation, *id.*, nor may a court suspend execution of a sentence. A.C.A.5-4-(e)(1)(B)(ii). An additional term which is suspended begins to run the day the defendant is lawfully set at liberty from the imprisonment. A.C.A.5-4-307(c). A term of imprisonment and a suspended imposition of an additional term should not be added together when entering the “sentence imposed” on a commitment form. For example, a ten-year sentence with five years suspended and five years to serve would be listed as “sentenced imposed = 60 months, suspended imposition of sentence = 60 months, and total time to serve = 60 months.

Can Class Y drug offenders be placed on probation?

Yes. See *Elders v. State*, 321 Ark. 60, 900 S.W.2d 170 (1995); *Stinnett v. State*, 63 Ark. App. 72, 973 S.W.2d 826 (1998). Confusion has arisen as A.C.A. 5-4-104(e)(1)(C) provides that Class Y felonies may not be suspended or placed on probation. Prior to Act 192 of 1993, A.C.A. 5-4-104(e)(1)(F) provided:

(e)(1) The court shall not suspend imposition of sentence as to a term of imprisonment nor place the defendant on probation for the following offenses:

(F) Drug related offenses under the Uniform Controlled Substances Act, 5-64-101 et seq. except to the extent that probation is otherwise permitted under subchapters 1-6 of chapter 64.

Act 192 of 1993 deleted (F). The *Elders* and *Stinnett* cases interpret Act 192 to mean that drug offenders can be placed on probation as they were removed from the prohibition in A.C.A. 5-4-104.

However, for habitual offenders please see *State v. Tiffany Terra Joslin*, 364 Ark. 545, 222 S.W.3d 168 (2006), in which the court noted that “. . . under Arkansas Code Annotated 5-4-301, the law expressly states that the court shall not place a defendant on probation if it is determined that the defendant has been previously convicted of two or more felonies, in accordance with the habitual offender statute.”

DNA Detection of Sexual and Violent Offenders Act

Act 737 of 1997 set up a DNA database and a DNA data bank under the State Crime Laboratory to assist in “detecting recidivist acts.” A.C.A. 12-12-1102. Act 1470 of 2003 amends the definition of “qualifying offenses” to mean “any offense as defined in the Arkansas Criminal Code §§ 5-1-101 et seq. or a sexual offense classified as a misdemeanor as defined by Arkansas Criminal Code §§ 5-1-101 et seq. or a repeat offense as defined in this section. It also makes refusal to provide a DNA sample a Class D felony.

Sex Offender Registration

Act 202 of 2001 amends A.C.A. 12-12-906(a)(1) and (c)(1). If the offender is sentenced to incarceration in the Department of Correction, it is the responsibility of DOC to assure that the

offender completes the registration form. If the offender is adjudicated guilty but not incarcerated, the Department of Community Correction has the responsibility to assure that the offender completed the registration form. Offenders must provide a DNA sample.

Act 330 of 2003 makes provisions for placing information about levels 3 and 4 sex offenders on the State of Arkansas Internet home page. It also makes it a Class D felony for level 3 or 4 sex offenders to reside within 2000' of property on which any public or private elementary or secondary school or daycare facility is located.

Act 392 of 2007 prohibits a registered sex offender from obtaining or possessing identification cards or driver's licenses with incorrect physical addresses.

Act 394 of 2007 prohibits a level 3 or 4 sex offender from knowingly residing within 2000' of his or her victim and from having direct or indirect contact with his or her victim for the purpose of harassment. It also adds Internet stalking of a child, felony video voyeurism and felony voyeurism to the list of offenses defined as "sex offenses."

Act 818 of 2007 prohibits level 3 and 4 sex offenders from residing within 2000' of public parks and youth centers.

Act 992 of 2007 prohibits level 3 and 4 sex offenders from entering upon school campuses. Certain parental exceptions are listed in the Act.

Victims Rights Act 1262 of 1997

See A.C.A.16-90-1101 (Repl. 1997)

What are the rights of victims?

Much of this Act has to do with the availability of information about an offender's case and any confinement. The Arkansas Crime Information Center received a grant to put in place a notification system which is called VINE. See A.C.A. 12-12-1201. This program completed implementation in July of 1999 and may be reached by calling 1-800-510-0415.

Crime Victims Reparation is covered at A.C.A.16-90-701 et seq.

Extended Juvenile Jurisdiction Act

A.C.A. 9-27-501 et.seq.

This act provides for "blended sentencing," and modifies existing juvenile jurisdictional statutes.

Pardons and Clemency

How do I request a pardon or clemency?

The granting of a pardon or clemency is a power given to the Governor of the State. Instructions for filing a request for a pardon or clemency may be found on the Governor's web site at

<http://www.governor.arkansas.gov> .

Sentencing News

The Commission staff sends out a biweekly news letter called "The Sentencing News." This newsletter is emailed to all judges, prosecutors, public defenders and all other interested parties. The newsletter tracks U.S. Supreme Court, Arkansas Supreme Court and Arkansas Court of Appeals decisions that deal with sentencing. If you would like to receive this newsletter, please make us aware of your email address.

The Sentencing Commission is also involved in conducting two Continuing Legal Education Classes. The Administrative Training class provides three hours of CLE credit. This class answers questions regarding how to fill out Judgments and Commitments, Judgment and Dispositions, Departure Reports, and other paperwork. This class is offered for lawyers as well as support staff and court personnel.

Another class is the Sentencing Law Seminar. This class provides a total of five hours of CLE credit which includes one hour of legal ethics. Credit is also earned for a two-hour tour of the Central Arkansas Regional Correctional Facility. In addition to the tour and the ethics sections of the seminar, representatives from the Department of Correction, the Department of Community Correction, and the Post Prison Transfer Board teach segments relating to their areas of expertise. Contact the Commission office to register for either of these seminars.

Acts of 2007. Sentencing Changes

Numerous acts created new crimes, new classifications, new enhancements and new definitions. Some of these acts include: Act 200 (provides for enhanced penalty for manufacture of methamphetamine in the presence of an elderly or incompetent person), Act 345 (provides for enhanced penalty for selling of controlled substances within one thousand feet of a designated school bus stop), Act 622 (raises the felony classification of battery in the first degree to a Class Y if the victim is four years of age or younger), Act 709 (“Corporal Scott Baxter’s Law” which raises the felony class of battery in the first degree to a Class Y if the victim is a law enforcement officer acting in the line of duty), and Act 1608 (creates the offense of aggravated residential burglary and classifies it as a Class Y felony). The new seriousness rankings have been incorporated into the seriousness reference table sections of this book. You may also find information concerning sentencing guidelines at our web site: <http://www.arkansas.gov/asc/> or the Arkansas government homepage at <http://www.accessarkansas.org/asc>.
