

**Red Rose,
Red Rose,
What Do You See?**

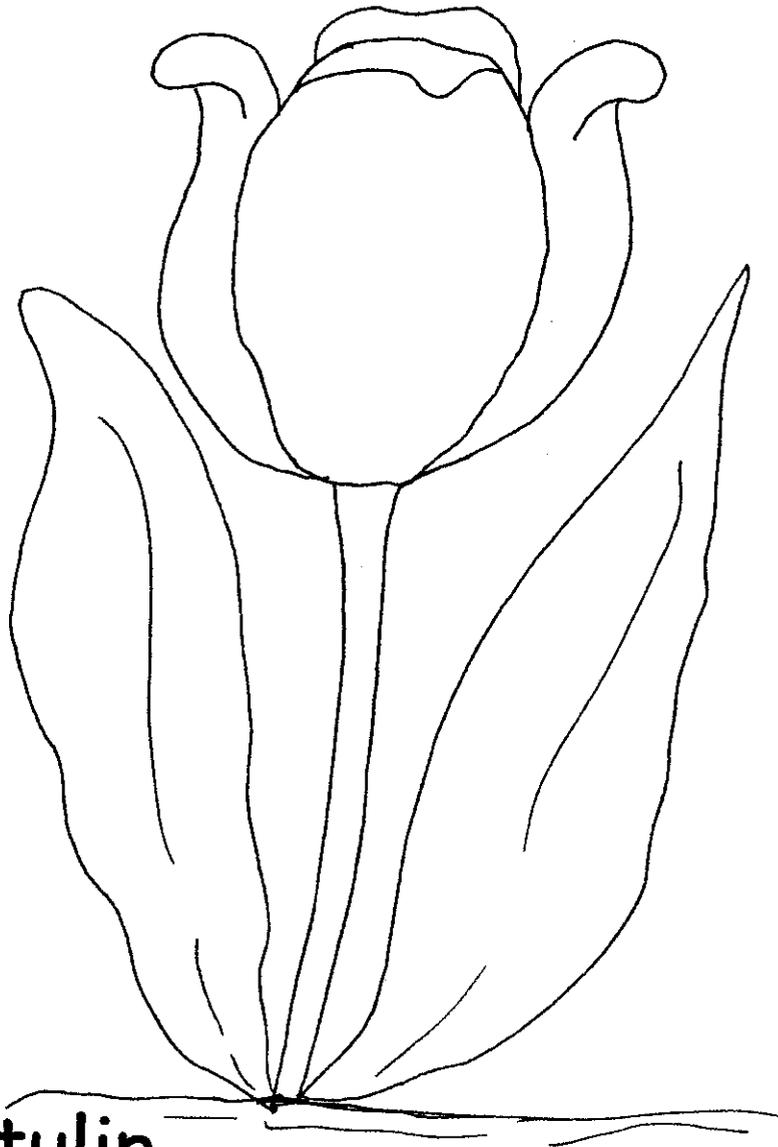

By

Red rose,
Red rose,
What do you see?

I see an orange tulip
looking at me.

Orange tulip,
Orange tulip,
What do you see?

I see a yellow daffodil
looking at me.

Yellow daffodil,
Yellow daffodil,
What do you see?

I see a white daisy
looking at me.

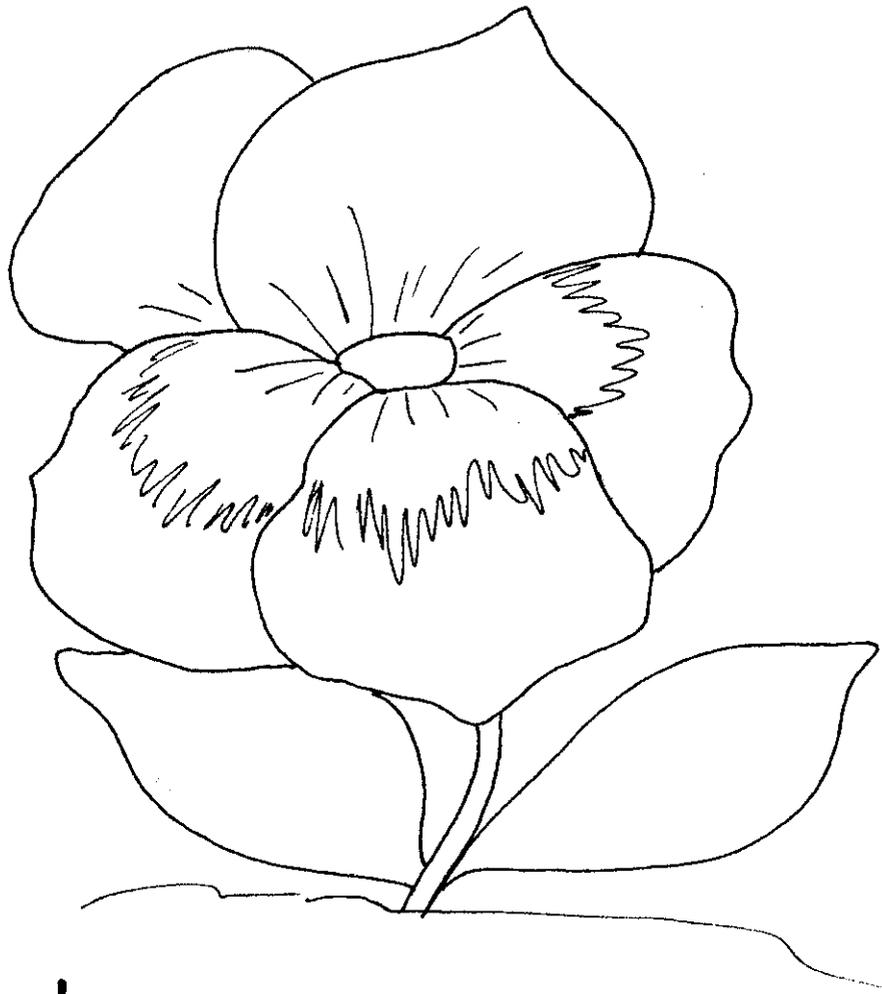

White daisy,
White daisy,
What do you see?

I see a bluebell
looking at me.

Bluebell,
Bluebell,
What do you see?

I see a purple pansy
looking at me.

Purple pansy,
Purple pansy,
What do you see?

I see pretty flowers
looking at me.

Pretty flowers,
Pretty flowers,
What do you see?

We see the bright sunshine
looking at us!
