

Charlie Needs A Cloak **by Tomie DePaola**

Patterns may be used for teacher made puppets which children can use for story retelling. Patterns may be enlarged if preferred.

Remember patterns are not to be used for children's art projects!

1. Run copies on cardstock (index paper or tagboard).
2. Color pieces with markers, color pencils (may not be as bright), pastels, or paint, (crayons may melt when laminated).
3. When putting two large pieces together, use a glue stick to prevent pieces from wrinkling when laminating.
4. Laminate story objects. You may cut pieces before or after laminating.
5. Attach velcro dots or pieces to back of each object.

Tip: Make an outline story card to use when telling the story.

Suggested Activities:

1. Show stages of making wool (sheep wool, yarn or thread, wool fabric).(3.14)
2. Examine fabrics of different textures. Let children describe how they look and feel.(3.22, 5.5)
3. Use the patterns to make large sequence cards. Encourage children to put them in order. (3.14)
