

The Little Mouse, The Red Ripe Strawberry, and the Big Hungry Bear
by Don and Audrey Wood

1. Run copies on cardstock (index paper or tagboard).
2. Color pieces with markers, color pencils (may not be as bright), pastels, or paint, (crayons may melt when laminated).
3. When putting two large pieces together, use a glue stick to prevent pieces from wrinkling when laminating.
4. Laminate story objects. You may cut pieces before or after laminating.
5. Attach velcro dots or pieces to back of each object.

Tip: Make an outline story card to use when telling the story.

Remember patterns are not to be used for children's art projects!

Patterns may be use for teacher made puppets which children can use for story retelling. Patterns may be enlarged if preferred.

Activities:

1. Investigate strawberries: taste, look at seeds
2. List different ways we eat strawberries, such as in pies, cakes, preserves, gelatin, Popsicles, etc. Taste some of these and graph favorites.
3. Invite someone who grows strawberries to visit and explain how they grow.
