#### 17-26-401. License requirements.

- (a) No person, firm, or corporation shall conduct or operate a cosmetological establishment, school of cosmetology, beauty parlor, or any other place of business in which any one (1) or any combination of the occupations of a cosmetologist are taught or practiced, except the branch of manicuring as practiced in a barbershop, until licensed under the provisions of this chapter and complying with the provisions of this chapter relating to sanitation.
- (b) It shall be unlawful for any person to employ or to allow to be employed any person not licensed by the State Board of Cosmetology in or about a cosmetological establishment as a cosmetologist manager-operator, or as a manicurist, or as an electrologist, or as an aesthetician.

# 17-26-402. Cosmetological establishments - License.

- (a) Any person, firm, or corporation desiring to operate a cosmetological establishment shall make an application to the State Board of Cosmetology for a license.
- **(b)** The application shall be accompanied by the required licensing fee.

#### 17-26-403. School of cosmetology - Application to operate - License.

- (a) Schools of cosmetology shall be conducted as provided in this subchapter.
- (b) Any person, firm, or corporation, except the Department of Education, desiring to conduct a school of cosmetology shall make an application to the State Board of Cosmetology for approval. When an application is made after January 1, there shall be paid to the board that portion of the registration fee that the unexpired number of months in the year bears to the entire year, including the month in which the application is made. In such cases the board shall issue a license for the fractional part of the year.
- (c) In the event that a member of the board shall wholly or partially own any interest in any school of cosmetology in this state, the board member shall disqualify himself or herself from the consideration of applications for new schools of cosmetology or license renewals.
- (d) The license authorizes the school of cosmetology holding it to transact operations in this state during the year or fraction thereof for which it is issued subject to the rules of the board.
- (e) Nothing in this section shall be construed as authorization or permission to conduct a school of cosmetology without a valid, existing, and unexpired license.

# 17-26-404. Licensing requirements - Expiration - Renewal.

- (a) Licensing for cosmetological establishments and schools of cosmetology expires pursuant to § 17-26-319(b).
- (b) An application for renewal of a license shall be filed with the State Board of Cosmetology, accompanied by the required renewal fee.
- (c) Thereupon, the board shall renew the license for the appropriate time period.
- (d) A license that has expired for failure of the registrant to renew within the time fixed by this section may for a period of one (1) year thereafter be renewed upon the filing of an application in such form as the board may require and upon payment of the required renewal fee and the delinquency fee.
- (e) After one (1) year from the date of its expiration, a certificate may not be renewed, and the establishment or school may again become entitled to a license only upon compliance with all of the provisions of this chapter relating to the original issuance of a license.

#### 17-26-405. Facilities - Prohibition on use.

- (a) No person having charge of a cosmetological establishment or school of cosmetology, whether as an owner or an employee, shall permit any room or part thereof in which any of the branches or practices of cosmetology are conducted, practiced, or taught to be used for sleeping, for residential purposes, or for any other purpose that would tend to make the room unsanitary.
- **(b)** A cosmetological establishment shall have a direct entrance separate and distinct from any entrance in connection with private quarters.

#### 17-26-406. Refusal or cancellation of school license - Causes.

(a) No school shall be licensed until the State Board of Cosmetology has had ample opportunity to verify sworn statements as to the actual ownership. In this respect, if false statements are submitted to the board in connection with a license application, this in itself shall constitute sufficient grounds for the refusal to grant any application under this subchapter. If an application is

granted and thereafter the board discovers that false statements were made in connection therewith, this shall constitute sufficient grounds for the cancellation of the school license even though the false statements are detected after a license has been issued.

(b) The board may deny a school license to any applicant or licensee upon reasonable evidence that the school or its officials would jeopardize the health and safety of the public. No school license shall be issued until the real owner files with the board a statement definitely designating who is authorized to accept service of notice from the board and to transact all business negotiations on behalf of the school, including answers to citations for hearing and compliance with rulings issued by the board.
