ARKANSAS SHORT FORM - AR1000S INDIVIDUAL INCOME TAX RETURN AND INSTRUCTIONS

Due Date is April 15, 2007

A Message to Arkansas Taxpayers

It is easier and more convenient this year for taxpayers to check the status of their income tax refunds. Taxpayers may check the status of their refunds directly over the internet by Automated Refund Inquiry. Your refund status information may be found by accessing our web site at www.arkansas.gov/dfa/ and selecting "Income Tax Refund Inquiry". You may also check the status of your refund by touch tone telephone. You can access the Tele-file system by calling 501-682-0200 (Pulaski County) or 1-800-438-1992 (statewide). The refund information on these sites is updated each day, and is available 24 hours a day, 7 days a week. Both sites are simple to use and taxpayers will receive a much faster response than when calling our help line.

This booklet includes a Table of Contents which has not been available in previous years. We hope that you will use this feature and it will assist you in finding the information you need to file your 2006 Arkansas Individual Income Tax Return.

Other reminders for filing 2006 returns:

Your state return is due on April 15, 2007 the same as your federal return.

Arkansas has not adopted federal income tax laws that were recently enacted by the federal Tax Increase Prevention and Reconciliation Act of 2005 and the Pension Protection Act of 2006

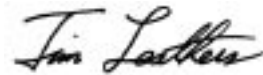

This booklet contains an Arkansas Use Tax form for taxpayers to report and pay Arkansas Use tax on out of state purchases (eg. Purchases made from catalogs, the Internet, or by phone) where no Arkansas sales tax has been collected.

Arkansas continues to be one of the more successful states for electronic filing. Last year over 52% of all Arkansas returns were filed electronically. You can e-file from home using tax preparation software accessed through our web site, or your tax preparer may file your return electronically. Arkansas is now a member of the Free E-File Alliance which allows many qualifying Arkansas taxpayers to file free over the Internet. Visit our web site at: www.arkansas.gov/dfa/ for additional information about all available e-file opportunities.

For your convenience, the Arkansas Voter Registration Application is included in this booklet. This form can be used for new voter registrations or to update current registration information. If needed, complete the form and send it to the Secretary of State's office. Please do not mail your Voter Registration Application to the Revenue Division or enclose it with your tax return.

We appreciate your suggestions and constructive criticism. We want to provide you the best service possible. Please mail your suggestions and comments to: Manager, Individual Income Tax Section, P.O. Box 3628, Little Rock, Arkansas 72203-3628. Thank you.

Sincerely,

Tim Leathers

ELECTRONIC FILING

ELECTRONIC FILING

Last year over 612,000 taxpayers used an electronic filing option to file their Arkansas Individual Income Tax Returns. Electronic Filing allows you to file your Arkansas tax return with a tax professional, or file your own tax return using a personal computer.

FEDERAL/STATE ELECTRONIC FILING

The State of Arkansas participates in the Federal/State Electronic Filing Program for Individual Income Tax. The benefits of Electronic Filing are:

- ***Simultaneous Federal/State filing*** Both your Federal and State of Arkansas Income Tax Returns are filed electronically in one transmission.
- ***Processing*** If you file a complete and accurate return, your refund will be issued within ten (10) days **after you receive your state acknowledgment.**
- ***Accuracy*** Computer programs catch 98% of tax return errors before your return is received and accepted.
- ***Acknowledgment*** The State of Arkansas notifies your transmitter within two (2) days if your return has been received and accepted.

This program is available to full-year residents, certain qualifying nonresidents, and part-year residents filing a 2006 Arkansas Individual Income Tax Return. However, filers claiming business and incentive tax credits are not eligible to file electronically. Electronic Filing is available whether you prepare your own return or use a preparer. In addition to tax preparers, other firms are approved to offer electronic filing services. Check with your tax preparer or electronic filing service to see if they are participating in the Federal/State program.

ON-LINE FILING

Over 86,700 taxpayers took advantage of On-Line Filing last year. The same advantages are obtained by On-Line Filing as by Electronic Filing, but it does not require a preparer. For a nominal fee your federal and state returns can be prepared and filed electronically.

If you purchased taxable merchandise outside the State of Arkansas for use, storage, consumption or distribution within the state, a state and local consumer use tax may be due on the purchase price, including transportation charges. Due to the rapid increase in purchases being made through mail order, telephone, and the World Wide Web, it has become a concern that individuals may not be aware of their obligation to report the consumer use tax on untaxed out of state purchases. Examples of merchandise subject to the consumer use tax include cassettes, CD's, books, furniture, jewelry, food, and clothing.

The use tax is a companion tax to the sales tax whose purpose is to not only raise revenue for the state, but more importantly to protect local merchants, who must collect sales tax, from the unfair advantage of out of state sellers who do not collect Arkansas's sales tax. The use tax has been in effect since 1949.

The use tax rate is the same as the sales tax rate, 6.00% plus the applicable city and/or county rates where the merchandise is delivered in the state. The tax applies to the purchase price of the merchandise plus any shipping and handling charges that the merchant adds to your bill. If the total tax due is greater than \$100 per month, the use tax report should be filed on a monthly basis. If the total tax due is \$25 - \$100 per month, the use tax report should be filed on a quarterly basis. If the total tax due is less than \$25 per month, the use tax report should be filed on an annual basis.

Line 1 Indicate the month and year you are reporting.

Line 2 Fill in the total amount of taxable purchases for the month

Line 3 Multiply the total taxable purchases by the applicable tax rate. This is the state rate of 6.00% plus the city and/or county tax where you live.

Line 4 This is the amount of consumer use tax due the State of Arkansas. Please enclose a check for this amount. Write your consumer use tax account number or social security number on the check and the report period.

If you have questions or need additional forms, please call the Sales and Use Tax Office at (501) 682-7104. Forms are also available from our website.

3. Even if you are not required to file, you must file a tax return to get a refund of Arkansas Income Tax withheld from any payments to you.

B. WHEN TO FILE YOUR TAX RETURN

You can file your return any time after December 31, 2006, but **NO LATER THAN APRIL 15, 2007**, (*unless an extension has been granted*).

If April 15 falls on a Saturday, Sunday, or legal holiday, the return is considered timely filed if it is postmarked on the next succeeding business day which is not a Saturday, Sunday, or legal holiday.

NOTE: *The date of the postmark stamped by the U.S. Postal Service is the date you filed your return.*

C. PENALTIES & INTEREST

1. If you owe additional tax, you must mail your tax return by April 15, 2007. Any return not postmarked by April 15, 2007 (unless you have a valid extension) will be considered delinquent. A penalty of one percent (1%) per month for failure to pay and five percent (5%) per month for failure to file, with a maximum of thirty-five percent (35%), will be assessed on the amount of tax due. Interest of ten percent (10%) per year will also be assessed on any additional tax due, calculated from the original due date to the date you filed your return.

An extension to file is not an extension to pay. If you have not paid the amount due by the original due date you will be subject to a failure to pay penalty of 1% per month of the unpaid balance.

2. In addition to any penalty assessed, a penalty of \$500 will be assessed if any taxpayer files what purports to be a return, but the return does not contain information on which the correctness of the return may be judged, and such conduct is due to a position which is frivolous, or an effort to delay or impede the administration of any State law.
3. If you owe additional tax in excess of \$1,000, a penalty for failure to make a declaration of Estimated Tax and pay on any quarterly due date the equivalent of ninety percent (90%) of the amount actually due, or an amount equal to or greater than the tax liability of the preceding income tax year, a penalty of ten percent (10%) will be assessed.

D. DEATH OF TAXPAYER OR DEPENDENT

An Arkansas tax return should be filed for a taxpayer who died during the taxable year as if the taxpayer had lived the entire year. The word "DECEASED" should appear after his/her name along with the date of death.

A dependent who died during the year may be claimed as a dependent for the entire year.

E. DEVELOPMENTALLY DISABLED INDIVIDUAL

If you are claiming the Developmentally Disabled Individual Credit you must file using Form AR1000. You cannot claim the credit using Form AR1000S.

F. DEFINITIONS

1. DOMICILE

This is the place you intend to have as your permanent home, the place you intend to return to whenever you are away. You can have only one domicile. Your domicile does not change until you move to a new location and intend to make your permanent home there. If you move to a new location but intend to stay there only for a limited time (*no matter how long*), your domicile does not change. **This also applies if you are working in a foreign country.**

2. FULL YEAR RESIDENT

You are a FULL YEAR RESIDENT if you lived in Arkansas all of tax year 2006, or if you have maintained a domicile or Home of Record in Arkansas during the tax year.

3. DEPENDENT

You may claim as a dependent any person who received over half of his or her support from you, and earned less than \$3,300 in gross income, **and** was your:

Child	Stepchild	Mother
Father	Grandparent	Brother
Sister	Grandchild	Stepbrother
Stepsister	Stepmother	Stepfather
Mother-In-Law	Father-In-Law	Brother-In-Law
Sister-In-Law	Son-In-Law	Daughter-In-Law

Or, if related by blood: Uncle, Aunt, Nephew, Niece

Or, an individual (*other than your spouse*) that was a member of your household for the **entire** year.

The term "dependent" includes a foster child if the child had as his principle place of abode the home of the taxpayer and was a member of the taxpayer's household for the taxpayer's entire tax year.

The term "dependent" does not apply to anyone who was a citizen or subject of a foreign country UNLESS that person was a resident of the United States, Mexico or Canada.

If your child/stepchild was under age 19 at the end of the year, the \$3,300 gross income limitation does not apply. Your child/stepchild may have had any amount of income and still be your dependent if the other dependency requirements are met.

If your child/stepchild was a student, under age 24 at the end of the calendar year, the \$3,300 gross income limitation does not apply. The other requirements in this section still must be met.

To qualify as a student, your child must have been a full-time student for five (5) months during the calendar year at a qualified school, as defined by the current Internal Revenue Service.

For death of a dependent during the tax year, refer to Section D.

Arkansas has adopted Internal Revenue Code §151(c)(6) regarding the tax treatment of kidnapped children.

4. GROSS INCOME

Gross income means any and all income (*before deductions*) that you received except the kinds of income specifically described in Section G, items 1 through 9.

NOTE: If any part of your income is listed in Section G, you may not use this form; you must file on Form AR1000/AR1000NR.

G. INCOME EXEMPT FROM TAX

1. Money you received from a life insurance policy because of death of the person who was insured is exempt from tax.

NOTE: You must include as taxable income any interest payments made to you from the insurance company that issued the policy.

2. Money you received from LIFE INSURANCE, an ENDOWMENT, or a PRIVATE ANNUITY CONTRACT for which you paid the premiums is allowed cost recovery pursuant to Internal Revenue Code §72.
3. Amounts you received as child support payments are exempt.

5. Interest you received from direct United States obligations, its possessions, the State of Arkansas, or any political subdivision of the State of Arkansas is exempt from tax. Obligations include bonds and other evidence of debt issued pursuant to a government unit's borrowing power. (*Interest due on tax refunds is not exempt income because it does not result from a debt issued by the United States, the State of Arkansas, or any political subdivision of the State of Arkansas.*) Interest from government securities paid to individuals through a mutual fund is exempt from tax.
6. Social Security benefits, VA benefits, Worker's Compensation, Unemployment Compensation, Railroad Retirement benefits, and related supplemental benefits are exempt from tax.
7. Proceeds from a disability insurance policy for which you paid the premiums are exempt from tax pursuant to Internal Revenue Code §104.
8. If you received U.S. military compensation, a portion of your gross income is exempt from tax.
9. If you received income from an employment related retirement plan, including disability retirement (*premiums paid by your employer*), or if you received a qualified IRA distribution, the first \$6,000, after cost recovery, is exempt from tax. The total exemption from all plans cannot exceed \$6,000 per taxpayer.

H. IF YOU NEED MORE TIME TO FILE

A taxpayer who requests an extension of time to file his or her federal income tax return (by filing Federal Form 4868 with the IRS) shall be entitled to receive the same extension on the taxpayer's corresponding Arkansas income tax return. In order to take advantage of the federal extension for state purposes, the taxpayer must check the box on the front of the Arkansas return indicating that the federal extension has been filed.

The Department no longer requires that a copy of Federal Form 4868 be attached to the taxpayer's state tax return as long as the box is checked on the front of the return.

The federal automatic extension extends the deadline to file until October 15th.

NOTE: *If the box on the front of the AR1000S is not checked, you will not receive credit for your federal extension.*

If you do not file a Federal Extension, you may file an Arkansas extension using Form AR1055 before the filing due date of April 15th.

Send your request to:

Individual Income Tax Section
ATTN: Extension
P.O. Box 3628
Little Rock, AR 72203-3628

NOTE: *The maximum extension that will be granted on an AR1055 is one hundred and twenty (120) days extending the due date until August 15th.*

Interest and Failure To Pay Penalty will be due if any tax due is not paid by April 15, 2007.

The date of the postmark stamped by the U.S. Postal Service is the date you filed request for extension.

Attach a copy of your approved Form AR1055 to the front of your tax return WHEN YOU FILE. IF YOU DO NOT ATTACH YOUR EXTENSION, YOUR RETURN WILL BE CONSIDERED DELINQUENT AND PENALTIES WILL BE ASSESSED. **Inability to pay is not a valid reason to request an extension.**

I. HOW TO COMPLETE YOUR ARKANSAS RETURN

STAPLE all required W-2 Form(s) to your return. **Use only BLUE or BLACK ink, or type.**

If you received your income tax booklet through the mail and there is a colored peel off label inside, use the label only if all the information on it is correct. If it is not correct or you do not have a label, enter the name and address of you and your spouse. **You MUST enter your Social Security Number(s) on your return in the space provided, or your return cannot be processed and will be returned to you.** Enter the telephone number for your home and your work.

NOTE: *If you are married, filing on the same form, and using different last names, you must separate the last names by use of a slash.*

EXAMPLE: John Q. and Mary M. Doe/Smith or
Mary M. and John Q. Smith/Doe

Be sure that the placement of the last name matches the placement of the first name. You must be legally married to file in this manner.

SETOFF REFUNDS

If you, your spouse, or former spouse owes a debt to the Department of Finance and Administration, state supported colleges, universities, and technical institutes, Child Support, the Department of Human Services, the Department of Higher Education, Arkansas circuit, county, district, or city courts, the Employee Benefits Division of the Department of Finance and Administration, any housing authority, or the Office of Personnel Management of the Department of Finance and Administration and you have filed an Arkansas State Income Tax return, your refund is subject to being withheld to satisfy the debt. You may have all or part of your Income Tax Refund withheld.

If your refund has been applied to a debt to one of these agencies, you will receive a letter reporting which agency has claimed all or part of your refund. If the debt has already been satisfied, it is the agency's responsibility to refund any setoff amount paid to the agency in error. Contact the agency at the telephone number furnished to you on your "Adjustment Letter" to resolve any questions or differences.

If you owe a debt for Arkansas income tax, your federal refund may be captured to satisfy this state debt.

NOTICE TO MARRIED TAXPAYERS

If only one of the married taxpayers owes the debt, the taxpayer who is not liable can avoid having his/her refund applied to the debt if both taxpayers file Status 5, Married Filing Separately on Different Returns.

LINE 26. If not enough tax was withheld, the amount on Line 19 will be larger than the amount on Line 22. Subtract Line 22 from Line 19 and enter the result. This is the **Amount You Owe.** If Line 26 is less than one dollar (\$1), you do not have to pay it.

Attach a check or money order to your return. Make your check payable to: Department of Finance and Administration. **Write your Social Security Number, daytime phone number, and tax year on your check or money order. Do not send currency or coin by mail.** Taxpayers may also pay their tax due by credit card. Credit card payments may be made by telephone, by calling **1-800-2PAY-TAXSM** (1-800-272-9829), or over the Internet by visiting **www.officialpayments.com** and clicking on the "Payment Center" link.

Both options will be processed by Official Payments Corporation, a private credit card payment services provider. A convenience fee will be charged to your credit card for the use of this service. The State of Arkansas does not receive this fee. You will be informed of the exact amount of the fee before you complete your transaction. After you complete your transaction you will be given a confirmation number to keep with your records.

There is a penalty for not paying enough tax during the year. You may have to pay a penalty if:

The amount you owe (Line 26) is \$1,000, or more, and

The amount of Arkansas income tax withheld (Line 20) is less than ninety percent (90%) of the amount of your net tax (Line 19).

You may choose to have income tax personnel calculate the penalty for you and send you a bill. However, if you want to calculate the penalty yourself, you cannot use the Short Form. You must use Form AR1000 and Form AR2210

DO NOT FORGET TO SIGN AND DATE YOUR TAX RETURN

Your tax return will not be legal and cannot be processed unless you SIGN IT. Write in the DATE. If you and your spouse are filing a joint return or filing separately on the same return, both of you must sign it. If someone prepares your return, that person must complete the Preparer Information section on the bottom of the form.

IN CASE THE IRS AUDITS YOU

If the Internal Revenue Service examines your return for any tax year and changes your net taxable income, you must report the changes to the Arkansas Department of Finance and Administration within thirty (30) days from the receipt of the notice and demand for payment by the Internal Revenue Service.

File Arkansas Form AR1000A/AR1000ANR Amended Income Tax Return for the year(s) involved, reporting the changes to your state return. Attach a copy of the federal changes.

If you fail to notify this Department within thirty (30) days and do not file the required amended return, the Statue of Limitations will remain open for eight (8) years on the year(s) in question. Additional interest will be figured on any tax you owe the State of Arkansas.
