IF THE IRS AUDITS YOU

If the Internal Revenue Service examines your return for any tax year and changes your net taxable income, you must report the changes to the Arkansas Department of Finance and Administration within ninety (90) days from the receipt of the notice and demand for payment by the Internal Revenue Service.

File Arkansas Form AR1000A/AR1000ANR Amended Individual Income Tax Return, for the year(s) involved reporting the changes to your state return. **Attach a copy of the federal changes.**

If you fail to notify this Department within ninety (90) days and do not file the required amended return, the Statute of Limitations will remain open for eight (8) years on the year(s) in question. Additional interest will be figured on any tax you owe the State of Arkansas.

ELECTRONIC FILING

Begins January 15, 2010

www.arkansas.gov/dfa/income_tax/tax_efile.html

- **E-file is hassle-free**—both your federal and Arkansas income tax returns are filed electronically in one transmission.
- **E-file is smart**—computer programs catch 98% of tax return errors.
- **E-file is worry-free**—receive acknowledgement within 2 days if your return has been received and accepted.
- **E-file gets your money to you fast**—refunds are issued within 10 days after you receive state acknowledgement.

Arkansas participates in the Federal/State Electronic Filing Program for Individual Income Tax. The program is available to most full year residents and certain qualifying nonresidents and part-year residents.

Since Arkansas is a member of the **“Free File Alliance,”** depending on the level of income, taxpayers may qualify to file returns for free. (Go to www.arkansas.gov/dfa/income_tax/freefile.html for details.)

Over 150,600 taxpayers took advantage of On-Line Filing last year. The same advantages are obtained by On-Line Filing as by Electronic Filing, but it does not require a preparer. For a nominal fee your federal and state returns can be prepared and filed electronically.

If you purchased taxable merchandise outside the State of Arkansas for use, storage, consumption or distribution within the state, a state and local consumer use tax may be due on the purchase price, including transportation charges. Due to the rapid increase in purchases being made through mail order, telephone, and the internet, it has become a concern that individuals may not be aware of their obligation to report the consumer use tax on untaxed out of state purchases. Examples of merchandise subject to the consumer use tax include cassettes, CD's, books, furniture, jewelry, food, and clothing.

The use tax is a companion tax to the sales tax whose purpose is to not only raise revenue for the state, but more importantly to protect local merchants, who must collect sales tax, from the unfair advantage of out of state sellers who do not collect Arkansas's sales tax. The use tax has been in effect since 1949.

The use tax rate is the same as the sales tax rate, 6.00% for all transactions except food purchases which has a reduced rate of 2% plus the applicable city and/or county rates where the merchandise is delivered in the state. The tax applies to the purchase price of the merchandise plus any shipping and handling charges that the merchant adds to your bill. If the total tax due is greater than \$100 per month, the use tax report should be filed on a monthly basis. If the total tax due is \$25 - \$100 per month, the use tax report should be filed on a quarterly basis. If the total tax due is less than \$25 per month, the use tax report should be filed on an annual basis.

- Line 1** Indicate the month and year you are reporting. (mm/yyyy)
Report all taxable purchases except food in Column A, food purchases are reported in Column B.
- Line 3** Fill in the County Rate where you reside (Column A and/or Column B)
- Line 4** Fill in the City rate where you reside. (Column A and/or Column B)
- Line 5** Enter total rate - the sum of lines 2 through 4. (Column A and/or Column B)
- Line 6** Enter total purchases (column A is for all items except food) (column B is for Food only)

- Line 8** Multiply line 7 by line 6 and enter the product.
- Line 9** Add lines 8A and 8B and enter the total. (This is the TOTAL tax to remit with this report.)

***Gross income is any and all income (before deductions) other than the kinds of income specifically described as exempt from tax on page 9 "Income Exempt from Tax."**

If your gross income was less than the amount shown in the last column for your filing status, you are not required to file a return. **However, you must file a return to claim any refund due.**

B. WHEN TO FILE

You can file your return any time after December 31, 2009, but **NO LATER THAN APRIL 15, 2010** (unless an extension has been granted).

If April 15 falls on a Saturday, Sunday, or legal holiday, the return is considered timely filed if it is postmarked on the next succeeding business day.

NOTE: The date of the postmark stamped by the U.S. Postal Service is the date you filed your return.

C. PENALTIES & INTEREST

1. If you owe additional tax, you must mail your tax return by April 15, 2010. Any return not postmarked by April 15, 2010 (unless you have a valid extension) will be considered delinquent. A penalty of one percent (1%) per month for failure to pay and five percent (5%) per month for failure to file, with a maximum of thirty-five percent (35%), will be assessed on the amount of tax due. Interest of ten percent (10%) per year will also be assessed on any additional tax due, calculated from the original due date to the date you filed your return.

An extension to file is not an extension to pay. If you have not paid the amount due by the original due date you will be subject to a failure to pay penalty of 1% per month of the unpaid balance.

2. In addition to any other penalties assessed, a penalty of \$500 will be assessed if any taxpayer files what purports to be a return, but the return does not contain information on which the correctness of the return may be judged, and such conduct is due to a position which is frivolous, or an effort to delay or impede the administration of any State law.

3. If you owe additional tax in excess of \$1,000, a penalty for failure to make a declaration of Estimated Tax and pay on any quarterly due date the equivalent of ninety percent (90%) of the amount actually due, or an amount equal to or greater than the tax liability of the preceding income tax year, a penalty of ten percent (10%) will be assessed.

D. DEATH OF TAXPAYER

An Arkansas tax return should be filed for a taxpayer who died during the taxable year as if the taxpayer had lived the entire year. The word "DECEASED" should appear after his/her name along with the date of death.

E. DEFINITIONS

1. DOMICILE

This is the place you intend to have as your permanent home, the place you intend to return to whenever you are away. You can have only one domicile. Your domicile does not change until you move to a new location and intend to make your permanent home there. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. **This also applies if you are working in a foreign country.**

2. FULL YEAR RESIDENT

You are a FULL YEAR RESIDENT if you lived in Arkansas all of tax year 2009, or if you have maintained a domicile or Home of Record in Arkansas during the tax year.

3. DEPENDENT

You may claim as a dependent any person who received over half of his or her support from you, and earned less than **\$3,650** in gross income, **and** was your:

Child	Stepchild	Mother
Father	Grandparent	Brother
Sister	Grandchild	Stepbrother
Stepsister	Stepmother	Stepfather
Mother-In-Law	Father-In-Law	Brother-In-Law
Sister-In-Law	Son-In-Law	Daughter-In-Law

Or, if related by blood: Uncle, Aunt, Nephew, Niece

Or, an individual (*other than your spouse*) who was a member of your household for the **entire** year.

The term “dependent” includes a **foster child** if the child had as his principle place of abode the home of the taxpayer and was a member of the taxpayer’s household for the taxpayer’s entire tax year.

The term “dependent” does not apply to anyone who was a citizen or subject of a foreign country **UNLESS** that person was a resident of **Mexico or Canada**.

If your child/stepchild was under age 19 at the end of the year, the **\$3,650** gross income limitation does not apply. Your child/stepchild may have had any amount of income and still be your dependent if the other dependency requirements are met.

If your child/stepchild was a student, under age 24 at the end of the calendar year, the **\$3,650** gross income limitation does not apply. The other requirements in this section still must be met.

To qualify as a student, your child must have been a full-time student for five (**5**) months during the calendar year at a qualified school, as defined by the Internal Revenue Service.

A dependent who died during the year may be claimed as a dependent for the entire year.

Arkansas has adopted Internal Revenue Code §151(c)(6) regarding the tax treatment of kidnapped children.

4. GROSS INCOME

Gross income is any and all income (before deductions) other than the kinds of income specifically described as exempt from tax in the following section “Income Exempt from Tax.”

Exception: The **exemptions for military and retirement income** as described in numbers 8 and 9 **are included in gross income**. However, if you use either of these exemptions you may not use this form; you must file on Form AR1000/AR1000NR.

F. INCOME EXEMPT FROM TAX

1. Money you received from **a life insurance policy** because of death of the person who was insured is exempt from tax.

NOTE: You must include as taxable income any interest payments made to you from the insurance company that issued the policy.

2. Money you received from **LIFE INSURANCE**, an **ENDOWMENT**, or a **PRIVATE ANNUITY CONTRACT** for which you paid the premiums is allowed cost recovery pursuant to Internal Revenue Code §72.
3. Amounts you received as **child support** payments are exempt.
4. You do not pay taxes on a **gift, inheritance, bequest or devise**. **Scholarships, grants, and fellowships are taxed pursuant to Internal Revenue Code §117**. Stipends are taxable in their entirety.
5. Interest you received from direct **United States obligations**, its possessions, the **State of Arkansas**, or any political subdivision of the State of Arkansas is exempt from tax. Obligations include bonds and other evidence of debt issued pursuant to a government unit’s borrowing power. (*Interest due on tax refunds is not exempt income because it does not result from a debt issued by the United States, the State of Arkansas, or any political subdivision of the State of Arkansas.*) Interest from government securities paid to individuals through a mutual fund is exempt from tax.
6. **Social Security** benefits, **VA** benefits, **Worker’s Compensation, Unemployment Compensation, Railroad Retirement** benefits, and related supplemental benefits are exempt from tax.
7. Proceeds from a **disability insurance policy** for which you paid the premiums are exempt from tax pursuant to Internal Revenue Code §104.
8. If you received U.S. **military** compensation, a **portion** of your gross income is exempt from tax.
9. If you received income from an employment related **retirement** plan, including disability retirement (*premiums paid by your employer*), or if you received a qualified traditional IRA distribution, the **first \$6,000**, after cost recovery, is exempt from tax. The total exemption from all plans cannot exceed \$6,000 per taxpayer.

G. IF YOU NEED MORE TIME TO FILE

A taxpayer who requests an extension of time to file his or her federal income tax return (*by filing Federal Form 4868 with the IRS*) shall be entitled to receive the same extension on the taxpayer’s corresponding Arkansas income tax return. In order to take advantage of the federal extension for state purposes, the taxpayer must check the box on the front of the Arkansas return indicating that the federal extension has been filed.

The Department no longer requires that a copy of Federal Form 4868 be attached to the taxpayer’s state tax return as long as the box is checked on the front of the return.

The federal automatic extension extends the deadline to file until **October 15th**.

NOTE: If the box on the front of the AR1000S is not checked, you will not receive credit for your federal extension.

If you do not file a Federal Extension, you may file an Arkansas extension using Form AR1055 before the filing due date of April 15th.

Send your request to:

Individual Income Tax Section
ATTN: Extension
P.O. Box 3628
Little Rock, AR 72203-3628

NOTE: *The maximum extension that will be granted on an AR1055 is one hundred and eighty (180) days extending the due date until October 15th.*

Interest and Failure to Pay Penalty will be due if any tax due is not paid by April 15, 2010.

The date of the postmark stamped by the U.S. Postal Service is the date you filed your request for extension.

Attach a copy of your approved Form AR1055 to the front of your tax return WHEN YOU FILE. IF YOU DO NOT ATTACH YOUR EXTENSION, YOUR RETURN WILL BE CONSIDERED DELINQUENT AND PENALTIES WILL BE ASSESSED.

Inability to pay is not a valid reason to request an extension.

H. HOW TO COMPLETE YOUR ARKANSAS RETURN

STAPLE all required W-2 Form(s) to your return. **Use only BLUE or BLACK ink, or type.**

If you received your income tax booklet through the mail and there is a colored peel off label inside, use the label only if all the information on it is correct. If it is not correct or you do not have a label, enter the name and address of you and your spouse. **You MUST enter your Social Security Number(s) on your return in the space provided, or your return cannot be processed and will be returned to you.** Enter the telephone number for your home and your work.

NOTE: *If you are married, filing on the same form, and using different last names, you must separate the last names by use of a slash.*

EXAMPLE: John Q. and Mary M. Doe/Smith or
Mary M. and John Q. Smith/Doe
