2. **EQUAL EMPLOYMENT OPPORTUNITY POLICY:** In compliance with Arkansas Code Annotated § 19-11-104, the Office of State Procurement is required to have a copy of the vendor's Equal Opportunity Policy prior to issuing a contract award. EO Policies may be submitted in electronic format to the following email address: eeopolicy.osp@dfa.arkansas.gov, or as a hard copy accompanying the solicitation response. The Office of State Procurement will maintain a file of all vendor EO policies submitted in response to solicitations issued by this office. The submission is a one- time requirement, but vendors are responsible for providing updates or changes to their respective policies, and for supplying EO policies upon request to other state agencies that must also comply with this statute. Vendors that do not have an established EO policy will not be prohibited from receiving a contract award, but are required to submit a written statement to that effect.

3. **PROHIBITION OF EMPLOYMENT OF ILLEGAL IMMIGRANTS:** Pursuant to Arkansas Code Annotated § 19-11-105, prior to the award of a contract, selected vendor(s) must have a current certification on file with OSP stating that they do not employ or contract with illegal immigrants.

OSP will notify the selected vendor(s) prior to award if their certification has expired or is not on file. Instructions for completing the certification process will be provided to the vendor(s) at that time.

4. **ALTERATION OF ORIGINAL IFB DOCUMENTS:** The original written or electronic language of the IFB documents shall not be changed or altered except by approved written addendum issued by the Office of State Procurement. This does not eliminate a Bidder from taking exception(s) to non-mandatory terms and conditions, but does clarify that the Bidder cannot change the original document's written or electronic language. If the Bidder wishes to make exception(s) to any of the original language, it must be submitted by the Bidder in separate written or electronic language in a manner that clearly explains the exception(s). If Bidder's/Contractor's submittal is discovered to contain alterations/changes to the original written or electronic documents, the Bidder's response may be declared as "non-responsible" and the response shall not be considered.

5. **REQUIREMENT OF AMENDMENT:** THIS IFB MAY BE MODIFIED ONLY BY AMENDMENTS WRITTEN AND AUTHORIZED BY THE OFFICE OF STATE PROCUREMENT. Bidders are cautioned to ensure that they have received or obtained, and responded to, any and all amendments to the bid prior to submission. There will be no addendums to a bid 72 hours prior to the bid opening. It is the responsibility of the vendor to check the OSP website, <http://www.arkansas.gov/dfa/procurement/bids/index.php> for any and all addendums up to that time.

6. **DELIVERY OF RESPONSE DOCUMENTS:** In accordance with the Arkansas Procurement Law and Rules, it is the responsibility of vendors to submit bids at the place, and on or before the date and time, set in the bid solicitation documents. Bid documents received at the Office of State Procurement after the date and time designated for bid opening are considered late bids and shall not be considered. Bid documents arriving late, which are to be returned and are not clearly marked, may be opened to determine for which bid the submission is intended.

7. **ADDITIONAL TERMS AND CONDITIONS:** The Office of State Procurement objects to, and shall not consider, any additional terms or conditions submitted by a bidder, including any appearing in documents attached as part of a bidder's response. In signing and submitting his bid, a bidder agrees that any additional terms or conditions, whether submitted intentionally or inadvertently, shall have no force or effect. Failure to comply with terms and conditions, including those specifying information that must be submitted with a bid, shall be grounds for rejecting a bid.
8. **ANTICIPATION TO AWARD:** After complete evaluation of the solicitation, the anticipated award will be posted on the Office of State Procurement website. The purpose of the posting is to establish a specific time in which vendors and agencies are aware of the anticipated award. The bid results will be posted for a period of fourteen (14) days prior to the issuance of any award. Vendors and agencies are cautioned that these are preliminary results only, and no official award will be issued prior to the end of the fourteen-day posting period. Accordingly, any reliance on these preliminary results is at the agency's/vendor's own risk.

The Office of State Procurement reserves the right to waive the Anticipation to Award when it is determined to be in the best interest of the State.
9. **PAST PERFORMANCE:** In accordance with provisions of The State Procurement Law, R7: 19-11-22 Competitive Sealed Bidding - Bid Evaluation paragraph (E) (i) & (ii): a vendor's past performance with the state may be used in the evaluation of any bid made in response to this solicitation. The past performance should not be greater than three years old and must be supported by written documentation on file in the Office of State Procurement at the time of the bid opening. 1.2 ISSUING AGENCY

The issuing office is the sole point of contact in the State for the selection process. Vendor questions regarding IFB related matters should be made through the State's buyer, Janet Quattlebaum at 501-324-9319 or email janet.quattlebaum@dfa.arkansas.gov. Vendor's questions will be answered as a courtesy and at vendor's own risk.

1.3 CAUTION TO BIDDERS

1. **During the time between the bid opening and contract award, any contact concerning this IFB should be initiated by the issuing office or requesting entity and not the vendor.** Specifically, the person named herein will initiate all contact.
2. **Vendors must submit one (1) signed original IFB response on or before the date specified on page one.**
3. The State Procurement Official reserves the right to award a contract or reject a bid for any or all line items of a bid received as a result of this IFB, if it is in the best interest of the State to do so. Bids will be rejected for one or more reasons not limited to the following:
 - a. Failure of the vendor to submit his bid(s) on or before the deadline established by the issuing office.
 - b. Failure to sign an Official Bid Document.
 - c. Failure to complete the Official Bid Price Sheet(s).
 - d. Any wording by the vendor in their response to this IFB, or in subsequent correspondence, which conflict with or takes exception to a requirement in the IFB.
 - e. Failure of any proposed goods or service to meet or exceed the specifications.

1.4 BID FORMAT

Any statement in this document that contains the word "**will**", "**must**" or "**shall**" means that compliance with the intent of the statement is mandatory, and failure by the bidder to satisfy that intent will cause the bid to be rejected. Reference to handbooks or other technical materials as part of a response must not constitute the entire response and vendor must identify the specific page and paragraph being referenced.

1.5 TYPE OF CONTRACT

The contract **will** be a one (1) year term contract from the date of award. Upon mutual agreement by OSP, ADC, and the vendor, the contract may be renewed on a year-to-year basis, for up to six (6) additional one-year terms or a portion thereof. In no event **shall** the total contract term be more than seven (7) years.

1.6 PAYMENT AND INVOICE PROVISIONS

Payment **will** be made in accordance with applicable State of Arkansas accounting procedures upon acceptance by the Agency. The State may not be invoiced in advance of delivery and acceptance of any commodity. Payment **will** be made only after the contractor has successfully satisfied the ADC as to the goods purchased. Vendors should invoice ADC by an itemized list of **all** charges as outlined and referenced in this IFB. Purchase Order Number and/or Contract Number should be referenced on each invoice.

All invoices **shall** be forwarded and sent to the:
Arkansas Dept of Corrections
Attn: Accounts Payable
P. O. Box 6408
Pine Bluff, Ar. 71611

Selected vendor **must** be registered to receive payment and future bid notifications. If you are not a registered vendor you may register on-line at <https://www.ark.org/vendor/index.html>.

1.7 RECORD RETENTION

The Contractor **shall** be required to maintain all pertinent financial and accounting records and evidence pertaining to the contract in accordance with generally accepted principles of accounting and other procedures specified by the State of Arkansas. Access **will** be granted upon request, to State or Federal Government entities or any of their duly authorized representatives.

1.8 PROPRIETARY INFORMATION

Proprietary information submitted in response to this (IFB) **will** be processed in accordance with applicable State of Arkansas procurement procedures. Bids and documents pertaining to the (IFB) become the property of the State and **shall** be open to public inspection subsequent to bid opening. It is the responsibility of the Vendor to identify all proprietary information. **The vendor should submit one complete copy of the response from which any proprietary information has been removed, i.e., a redacted copy.** The redacted copy should reflect the same pagination as the original, show the empty space from which information was redacted, and should be submitted on a CD or flash drive. Except for the redacted information, the redacted copy **must** be identical to the original hard copy. The vendor is responsible for ensuring the redacted copy on CD/flash drive is protected against restoration of redacted data. The redacted copy **will** be open to public inspection under the Freedom of Information Act (FOIA) without further notice to the vendor. If a redacted copy is not included, the entire bid **will** be open to public inspection with the exception of financial data (other than pricing). If the State of Arkansas deems redacted information to be subject to the FOIA the vendor **will** be contacted prior to sending out the information.

1.9 RESERVATION

This IFB does not commit the State Procurement Official to award a contract(s), to pay costs incurred in the preparation of a bid in response to this request, or to procure or contract for commodities or services.

1.10 PRIME CONTRACTOR RESPONSIBILITY

The selected vendor **will** be required to assume prime contractor responsibility for the contract and **will** be the sole point of contact with regard to all commodities, services and support.

1.13 STATEMENT OF LIABILITY

The State **will** demonstrate reasonable care but **shall not** be liable in the event of loss, destruction, or theft of contractor-owned items to be delivered or to be used in the installation of deliverables. 1.14 AWARD RESPONSIBILITY

The State Procurement Official **will** be responsible for award and administration of any resulting contract.

The vendor **shall not** delegate any duties under this contract to a subcontractor unless the State Procurement Official has given written consent to the delegation.

1.17 COST

All charges **must** be included on the Official Bid Price Sheet and **must** include all associated cost for the goods being bid. Bid pricing **must** be valid for ninety (90) days following IFB opening to allow sufficient time to tabulate and evaluate bid responses.

Thereafter, at the time of optional renewal, a request for increase **must** be submitted in writing, thirty (30) days prior to the Office of State Procurement with supporting manufacturer's documentation indicating percentage of increase and effective date for the items bid. This increase **must** be addressed to the merchant network and be reflective of an increase to all distributors, not just to this contract alone. Justifiable increases are based on manufacturer costs due to increase of raw materials. The State further reserves the right to reject any proposed price increase, cancel the contract and re-bid if determined to be in the best interest of the State. After receipt of required documentation and in the event a price change is authorized thereafter, said prices **will** remain firm for the period of stated renewal.

The Price Change Clause **will** remain in effect for any agreed upon periods of extension.

2. **ACCEPTANCE AND REJECTION:** The state reserves the right to accept or reject all or any part of a bid or any and all bids, to waive minor technicalities, and to award the bid to best serve the interest of the state.
3. **BID SUBMISSION:** Bids must be submitted to the Office of State Procurement on this form, with attachments when appropriate, on or before the date and time specified for bid opening. If this form is not used, the bid may be rejected. The bid must be typed or printed in ink. The signature must be in ink. Unsigned bids will be disqualified. The person signing the bid should show title or authority to bind his firm in a contract. Each bid should be placed in a separate envelope completely and properly identified. Late bids will not be considered under any circumstances.
4. **PRICES:** Bid unit price F.O.B. destination. In case of errors in extension, unit prices shall govern. Prices are firm and not subject to escalation unless otherwise specified in the bid invitation. Unless otherwise specified, the bid must be firm for acceptance for thirty days from the bid opening date. "Discount from list" bids are not acceptable unless requested in the bid invitation.
5. **QUANTITIES:** Quantities stated in **term contracts** are estimates only, and are not guaranteed. Bid unit price on the estimated quantity and unit of measure specified. The state may order more or less than the estimated quantity on term contracts. Quantities stated on **firm contracts** are actual requirements of the ordering agency.
6. **BRAND NAME REFERENCES:** Any catalog brand name or manufacturer's reference used in the bid invitation is descriptive only, not restrictive, and used to indicate the type and quality desired. Bids on brands of like nature and quality will be considered. If bidding on other than referenced specifications, the bid must show the manufacturer, brand or trade name, and other descriptions, and should include the manufacturer's illustrations and complete descriptions of the product offered. The state reserves the right to determine whether a substitute offered is equivalent to and meets the standards of the item specified, and the state may require the bidder to supply additional descriptive material. The bidder guarantees that the product offered will meet or exceed specifications identified in this bid invitation. If the bidder takes no exception to specifications or reference data in this bid he will be required to furnish the product according to brand names, numbers, etc., as specified in the invitation.
7. **GUARANTY:** All items bid shall be newly manufactured, in first-class condition, latest model and design, including, where applicable, containers suitable for shipment and storage, unless otherwise indicated in the bid invitation. The bidder hereby guarantees that everything furnished hereunder will be free from defects in design, workmanship and material, that if sold by drawing, sample or specification, it will conform thereto and will serve the function for which it was furnished. The bidder further guarantees that if the items furnished hereunder are to be installed by the bidder, such items will function properly when installed. The bidder also guarantees that all applicable laws have been complied with relating to construction, packaging, labeling and registration. The bidder's obligations under this paragraph shall survive for a period of one year from the date of delivery, unless otherwise specified herein.
8. **SAMPLES:** Samples or demonstrators, when requested, must be furnished free of expense to the state. Each sample should be marked with the bidder's name and address, bid number and item number. If samples are not destroyed during reasonable examination they will be returned at bidder's expense, if requested, within ten days following the opening of bids. All demonstrators will be returned after reasonable examination.
9. **TESTING PROCEDURES FOR SPECIFICATIONS COMPLIANCE:** Tests may be performed on samples or demonstrators submitted with the bid or on samples taken from the regular shipment. In the event products tested fail to meet or exceed all conditions and requirements of the specifications, the cost of the sample used and the reasonable cost of the testing shall be borne by the bidder.
10. **AMENDMENTS:** The bid cannot be altered or amended after the bid opening except as permitted by regulation.

- 13. LENGTH OF CONTRACT:** The invitation for bid will show the period of time the term contract will be in effect.
- 14. DELIVERY ON FIRM CONTRACTS:** The invitation for bid will show the number of days to place a commodity in the ordering agency's designated location under normal conditions. If the date is not acceptable, the agency may buy elsewhere and any additional cost will be borne by the vendor.
- 15. DELIVERY REQUIREMENTS:** No substitutions or cancellations are permitted without written approval of the Office of State Procurement. Delivery shall be made during agency work hours only 8:00 a.m. to 4:30 p.m., unless prior approval for other delivery has been obtained from the agency. Packing memoranda shall be enclosed with each shipment.
- 16. STORAGE:** The ordering agency is responsible for storage if the contractor delivers within the time required and the agency cannot accept delivery.
- 17. DEFAULT:** All commodities furnished will be subject to inspection and acceptance of the ordering agency after delivery. Back orders, default in promised delivery, or failure to meet specifications authorize the Office of State Procurement to cancel this contract or any portion of it and reasonably purchase commodities elsewhere and charge full increase, if any, in cost and handling to the defaulting contractor. The contractor must give written notice to the Office of State Procurement and ordering agency of the reason and the expected delivery date. Consistent failure to meet delivery without a valid reason may cause removal from the bidders list or suspension of eligibility for award.
- 18. VARIATION IN QUANTITY:** The state assumes no liability for commodities produced, processed or shipped in excess of the amount specified on the agency's purchase order.
- 19. INVOICING:** The contractor shall be paid upon the completion of all of the following: (1) submission of an original and the specified number of copies of a properly itemized invoice showing the bid and purchase order numbers, where itemized in the invitation for bid, (2) delivery and acceptance of the commodities and (3) proper and legal processing of the invoice by all necessary state agencies. Invoices must be sent to the "Invoice To" point shown on the purchase order.
- 20. STATE PROPERTY:** Any specifications, drawings, technical information, dies, cuts, negatives, positives, data or any other commodity furnished to the contractor hereunder or in contemplation hereof or developed by the contractor for use hereunder shall remain property of the state, be kept confidential, be used only as expressly authorized and returned at the contractor's expense to the F.O.B. point properly identifying what is being returned.
- 21. PATENTS OR COPYRIGHTS:** The contractor agrees to indemnify and hold the State harmless from all claims, damages and costs including attorneys' fees, arising from infringement of patents or copyrights.
- 22. ASSIGNMENT:** Any contract entered into pursuant to this invitation for bid is not assignable nor the duties thereunder delegable by either party without the written consent of the other party of the contract.
- 23. OTHER REMEDIES:** In addition to the remedies outlined herein, the contractor and the state have the right to pursue any other remedy permitted by law or in equity.
- 24. LACK OF FUNDS:** The state may cancel this contract to the extent funds are no longer legally available for expenditures under this contract. Any delivered but unpaid for goods will be returned in normal condition to the contractor by the state. If the state is unable to return the commodities in normal condition and there are no funds legally available to pay for the goods, the contractor may file a claim with the Arkansas Claims Commission. If the contractor has provided services and there are no longer funds legally available to pay for the services, the contractor may file a claim.
- 25. DISCRIMINATION:** In order to comply with the provision of Act 954 of 1977, relating to unfair employment practices, the bidder agrees that: (a) the bidder will not discriminate against any employee or applicant for employment because of race, sex, color, age, religion, handicap, or national origin; (b) in all solicitations or advertisements for employees, the bidder will state that all qualified applicants will receive consideration without regard to race, color, sex, age, religion, handicap, or national origin; (c) the bidder will furnish such relevant information and reports as requested by the Human Resources Commission for the purpose of determining compliance with the statute; (d) failure of the bidder to comply with the statute, the rules and regulations promulgated thereunder and this nondiscrimination clause shall be deemed a breach of contract and it may be cancelled, terminated or suspended in whole or in part; (e) the bidder will include the provisions of items (a) through (d) in every subcontract so that such provisions will be binding upon such subcontractor or vendor.
