# SP-17-0011 Arkansas Medicaid Dental Managed Care Actuarial Rate Vendors' Conference *September 22, 2016, 1:00-5:00 PM*

---

## **ACTUARIAL RATE CONFERENCE**

A Conference for vendors will be conducted in person to review actuarial rates and assumptions at a time and location to be specified in an addendum updating this RFP. Such addendum will provide, among other things, the actuarial information that will serve as the subject of the Conference. It is presently estimated that such Conference will occur on September 22, 2016 in Little Rock, Arkansas. The purpose of the Conference is to present to vendors the actuarial methodologies developed by the State in the preparation of this RFP and to provide Vendors an opportunity to ask questions regarding the capitation rates, risk corridors, and underlying data book (included in Attachment A). The State will only answer questions related to the capitation rates, risk corridors, and the underlying data book (included in Attachment A) for this RFP, and all questions related to any other section of the RFP should be submitted in writing by the date listed in Section 1.10. Verbal discussions at the conference **shall not** be considered part of the RFP unless incorporated into the RFP by addendum. Questions asked at the conference that cannot be adequately answered during the conference may be deferred and responded to in writing. Vendor participation is optional, but recommended.

**All communication/questions regarding this solicitation should be emailed to the OSP Buyer, Tamara DeBord.**
