### 3.5 **RECORD RETENTION**

- D. OP **shall** have the right to approve or deny the request.

**3.9 CANCELLATION**

- A. In the event the State no longer needs the service or commodity specified in the contract or purchase order due to program changes, changes in laws, rules, or regulations, relocation of offices, or lack of appropriated funding, the State **shall** give the vendor written notice of cancellation, specifying the terms and the effective date of contract termination. The effective date of termination **shall** be 30 days from the date of notification, unless a longer timeframe is specified in the notification.
- B. Upon default of a vendor, the State **shall** agree to pay only sums due for goods and services received and accepted up to cancellation of the contract.

Before the State exercises its right to terminate the contract for failure of a vendor to satisfy a Performance Standard, the vendor may be given an opportunity to defend, respond to, or cure as determined by the State, the identified insufficiency in Performance Standards if it is determined to be in the best interest of the State. The effective date of termination shall be 30 days from the date of notification, unless a longer timeframe is specified in the notification.

If the remainder of the contract is capable of performance, it **shall not** be affected by such declaration or finding and **shall** be fully performed.
