

The NASPO ValuePoint RFP for **Procurement Acquisition Support Services** was released by the State of Hawaii on March 21, 2018. The RFP is scheduled to close on Tuesday, May 1, 2018 at 2:30 p.m. Hawaii Time and its number **P18001345**.

The Solicitation is now available to download online at: <https://hiepro.ehawaii.gov/solicitation-notices.html>

Search for the solicitation by keywords **Procurement Acquisition Support Services** or its number **P18001345**.

All Addendum's will also be posted and available to download at the same location. If assistance is needed to download, please call the Hawaii Helpline at (808) 695-4620.

*The purpose of this Request for Proposals (RFP) is to establish Master Agreements with qualified offerors to provide acquisition support services for all Participating States. **Services do not include assistance and/or support in the acquisition of construction contracts.** The objective of this RFP is to obtain best value and achieve more favorable pricing by leveraging economies of scale (than is obtainable by an individual state or local government entity because of the collective volume of potential purchases by numerous state and local government entities). The Master Agreement(s) resulting from this procurement may be used by state governments (including departments, agencies, institutions), institutions of higher education, political subdivisions (i.e., colleges, school districts, counties, cities, etc.), the District of Columbia, territories of the United States, and other eligible entities subject to approval of the individual state procurement director and compliance with local statutory and regulatory provisions. The initial term of the master agreement shall be two (2) years with three (3) additional 12-month renewal periods.*

The RFP posting information is also available on the **NASPO ValuePoint Vendor Information** page at <http://naspovaluepoint.org/#/Info-for-Vendors>

We express our appreciation to Donn Tsuruda-Kashiwabara and the State of Hawaii for leading this project and the sourcing team members from Hawaii, Montana, Nebraska, Utah, and Virginia for their contributions in the development of the RFP.
