

The NASPO ValuePoint RFP for **Child Safety Seats** was re-released by the State of New Jersey on July 27, 2018. The RFP is scheduled to close on August 29, 2018 at 3:00 p.m. Eastern Time and is number 19DPP00297.

This is a re-solicitation of previous RFP that was originally released in December 2017. This re-release was created to correct some specification errors not originally caught. We are including the states that previously submitted an Intent to Participate and were listed in the original RFP.

The Solicitation is now available to download online

at: <https://www.njstart.gov/bsa/external/bidDetail.sdo?bidId=19DPP00297&parentUrl=activeBids>

Search for the solicitation titled **M2002-Child Safety Seats**. All Addendum's will also be posted and available to download at the same location. If assistance is needed to download, please call the New Jersey Helpline at (609) 341-3500.

The purpose of this Bid Solicitation {RFP} is to solicit Quotes {Proposals} for the establishment of a NASPO ValuePoint Master Agreement (Master Agreement) with qualified manufactures and/or distributors for the provision of child safety seats and other child transport mechanisms for all participating states/Using Agencies.

The RFP posting information is also available on the **NASPO ValuePoint Vendor Information** page at <http://naspovaluepoint.org/#/Info-for-Vendors>

We express our appreciation to Kelly Anderson-Thomas from the State of New Jersey for leading this project and the sourcing team members from Delaware, Idaho, Kansas, New Jersey, South Dakota and Utah for their contributions in the development of the RFP.
