

The NASPO ValuePoint RFP for Police Radar/Lidar Speed Enforcement & Speed Advisory Systems, Parts, and Accessories was released by the State of Washington on November 19, 2018. The RFP is scheduled to close on Tuesday, January 8, 2019 at 12:00 p.m. Pacific Standard Time. The RFP number is 00218.

The Solicitation is now available to download online at: <https://des.wa.gov/services/contracting-purchasing/doing-business-state/bid-opportunities>.

Instructions for accessing the RFP:

1. Click on the "Search WEBS" option
2. Click on "Goods and Services" then select "Enterprise Services"
3. Scroll through the dropdown menu options until you find "Police Radar/Lidar Speed Enforcement"

All Addendum's will also be posted and available to download at the same location. If assistance is needed to download, please call the Washington Helpline at (360) 902-7400.

*The purpose of this Request for Proposal is to establish Master Agreements with qualified offerors to provide Police Radar/Lidar Speed Enforcement products that conform to the industries Conforming Product List (CPL) for all Participating States. The objective of this RFP is to obtain best value, and in some cases achieve more favorable pricing, than obtainable by an individual state or local government agency because of the collective volume of potential purchases by numerous state and local government entities.*

The RFP posting information is also available on the NASPO ValuePoint Vendor Information page at <https://www.naspovaluepoint.org/solicitation-information/>.
