Representative Name		Company

ADC Representative	Date

This form **must** be signed and dated by an authorized ADC representative at the conclusion of the mandatory site visit.

Prior to the mandatory site visit, each Prospective Contractor should carefully read the bid documents and thoroughly review the plans and specifications. Prospective Contractors should be prepared to ask any questions or voice any concerns at the mandatory site visit.

Failure to include this form (completed and signed) with bid response WILL result in the bid being rejected.

For questions concerning the mandatory site visit contact: Scott McCarty, 870-643-9550.
