2. **EQUAL EMPLOYMENT OPPORTUNITY POLICY:** In compliance with Arkansas Code Annotated § 19-11-104, the Office of State Procurement is required to have a copy of the vendor's Equal Opportunity Policy prior to issuing a contract award. EO Policies may be submitted in electronic format to the following email address: [eeopolicy.osp@dfa.arkansas.gov](mailto:eeopolicy.osp@dfa.arkansas.gov), or as a hard copy accompanying the solicitation response. The Office of State Procurement will maintain a file of all vendor EO policies submitted in response to solicitations issued by this office. The submission is a one- time requirement, but vendors are responsible for providing updates or changes to their respective policies, and for supplying EO policies upon request to other state agencies that must also comply with this statute. Vendors that do not have an established EO policy will not be prohibited from receiving a contract award, but are required to submit a written statement to that effect.
3. **ALTERATION OF ORIGINAL IFB DOCUMENTS:** The original written or electronic language of the IFB documents shall not be changed or altered except by approved written addendum issued by the Office of State Procurement. This does not eliminate a Bidder from taking exception(s) to non-mandatory terms and conditions, but does clarify that the Bidder cannot change the original document's written or electronic language. If the Bidder wishes to make exception(s) to any of the original language, it must be submitted by the Bidder in separate written or electronic language in a manner that clearly explains the exception(s). If Bidder's/Contractor's submittal is discovered to contain alterations/changes to the original written or electronic documents, the Bidder's response may be declared as "non-responsible" and the response shall not be considered.
4. **REQUIREMENT OF AMENDMENT:** THIS IFB MAY BE MODIFIED ONLY BY AMENDMENTS WRITTEN AND AUTHORIZED BY THE OFFICE OF STATE PROCUREMENT. Bidders are cautioned to ensure that they have received or obtained, and responded to, any and all amendments to the bid prior to submission. There will be no addendums to a bid 72 hours prior to the bid opening. It is the responsibility of the vendor to check the OSP website, <http://www.arkansas.gov/dfa/procurement/bids/index.php> for any and all addendums up to that time.
5. **DELIVERY OF RESPONSE DOCUMENTS:** In accordance with the Arkansas Procurement Law and Rules, it is the responsibility of vendors to submit bids at the place, and on or before the date and time, set in the bid solicitation documents. Bid documents received at the Office of State Procurement after the date and time designated for bid opening are considered late bids and shall not be considered. Bid documents arriving late, which are to be returned and are not clearly marked, may be opened to determine for which bid the submission is intended.
6. **ADDITIONAL TERMS AND CONDITIONS:** The Office of State Procurement objects to, and shall not consider, any additional terms or conditions submitted by a bidder, including any appearing in documents attached as part of a bidder's response. In signing and submitting his bid, a bidder agrees that any additional terms or conditions, whether submitted intentionally or inadvertently, shall have no force or effect. Failure to comply with terms and conditions, including those specifying information that must be submitted with a bid, shall be grounds for rejecting a bid.

7. **ANTICIPATION TO AWARD:** After complete evaluation of the solicitation, the anticipated award will be posted on the Office of State Procurement website. The purpose of the posting is to establish a specific time in which vendors and agencies are aware of the anticipated award. The bid results will be posted for a period of fourteen (14) days prior to the issuance of any award. Vendors and agencies are cautioned that these are preliminary results only and no official award will be issued prior to the end of the fourteen-day posting period. Accordingly, any reliance on these preliminary results is at the agency's/vendor's own risk.

The Office of State Procurement reserves the right to waive the Anticipation to Award when it is determined to be in the best interest of the State.

8. **PAST PERFORMANCE:** In accordance with provisions of The State Procurement Law, R7: 19-11-229 Competitive Sealed Bidding - Bid Evaluation paragraph (E) (i) & (ii): a vendor's past performance with the state may be used in the evaluation of any bid made in response to this solicitation. The past performance should not be greater than three years old and must be supported by written documentation on file in the Office of State Procurement at the time of the bid opening. ### 1.3 **CAUTION TO BIDDERS**

1. **During the time between the bid opening and contract award, any contact concerning this IFB should be initiated by the issuing office or requesting entity and not the vendor.** Specifically, the person(s) named herein will initiate all contact.
2. The State Procurement Official reserves the right to award a contract or reject a bid for any or all line items of a bid received as a result of this IFB, if it is in the best interest of the State to do so. Bids will be rejected for one or more reasons not limited to the following:

### 1.4 **BID FORMAT**

Any statement in this document that contains the word “**will**”, “**must**” or “**shall**” means that compliance with the intent of the statement is mandatory, and failure by the bidder to satisfy that intent will cause the bid to be rejected. Reference to handbooks or other technical materials as part of a response must not constitute the entire response and vendor must identify the specific page and paragraph being referenced.

### 1.5 **TYPE OF CONTRACT**

### 1.6 **PAYMENT AND INVOICE PROVISIONS**

Vendors should invoice DFA OSP-M&R by an itemized list of charges. **Purchase Order Number and/or Contract Number should be referenced on each invoice.**

Selected vendor must be registered to receive payment and future bid notifications. If you are not a registered vendor you may register on-line at <https://www.ark.org/vendor/index.html>

It is the responsibility of the Vendor to identify all proprietary information. **The vendor should submit one complete copy of the response from which any proprietary information has been removed, i.e., a redacted copy.** The redacted copy should reflect the same pagination as the original, show the empty space from which information was redacted, and should be submitted on a CD or flash drive. Except for the redacted information, the redacted copy must be identical to the original hard copy. The vendor is responsible for ensuring the redacted copy on CD/flash drive is protected against restoration of redacted data. The redacted copy will be open to public inspection under the Freedom of Information Act (FOIA) without further notice to the vendor. If a redacted copy is not included, the entire bid will be open to public inspection with the exception of financial data (other than pricing). If the State of Arkansas deems redacted information to be subject to the FOIA the vendor will be contacted prior to sending out the information.
