Arkansas Standard Terms & Conditions

1. **General:** Any special terms and conditions negotiated in the above contract override these standard terms and conditions. The standard terms and conditions and any special terms and conditions included above become part of any contract entered into if any or part of the negotiated contract is accepted by the State of Arkansas.
 2. **Acceptance and Rejection:** Does not apply to this contract form, and therefore has been deleted.
 3. **Bid Submission:** Does not apply to this contract form, and therefore has been deleted.
 4. **Pricing Discounts:** Pricing Discounts are firm and not subject to change unless otherwise specified in the contract.
 5. **Quantities:** The quantities stated in the term contracts are estimates only, and are not guaranteed. The State may order more or less than the estimated quantity on term contracts.
 6. **Brand Name References:** Does not apply to this contract form, and therefore has been deleted.
 7. **Guaranty:** All items provided by the reseller shall be newly manufactured, in first class condition, latest model and design, including, where applicable, containers suitable for shipment and storage, unless otherwise indicated in the contract. The manufacturer hereby guarantees that everything furnished by the reseller hereunder will be free from defects in design, workmanship and material, that if sold by drawing, sample or specification, it will conform thereto and will serve the function for which it was furnished. The manufacturer further guarantees that if the items furnished hereunder are to be installed by the reseller, such items will function properly when installed. The manufacturer also guarantees that all applicable laws have been complied with relating to construction, packaging, labeling and registration. The manufacturer's obligations under this paragraph shall survive for a period of one year from the date of delivery, unless otherwise specified herein.
 8. **Samples:** Does not apply to this contract form, and therefore has been deleted.
 9. **Testing Procedures for Specifications Compliance:** Does not apply to this contract form, and therefore has been deleted.
 10. **Amendments:** This contract cannot be altered or amended after the contract award except as permitted by regulation and law.
 11. **Taxes and Trade Discounts:** Does not apply to this contract form, and therefore has been deleted.
 12. **Award: Term Contracts:** A Contract Award will be issued to the Manufacturer, Manufacturer. The contract results in a binding obligation without further action by either party. This award does not authorize shipment. Shipment against a term contract is authorized by the receipt of a Purchase Order from an ordering agency to an Authorized Participating Reseller.
- Firm Contracts:** Does not apply to this contract form, and therefore has been deleted.
13. **Length of Contract:** The contract will show the period of time the term contract will be in effect.
 14. **Delivery on Firm Contracts:** Does not apply to this contract form, and therefore has been deleted.

 16. **Storage:** Does not apply to this contract form, and therefore has been deleted.
 17. **Default:** Does not apply to this contract form, and therefore has been deleted.
 18. **Variation in Quantity:** The state assumes no liability for commodities produced, processed or shipped in excess of the amount specified on the agency's purchase order.
 19. **Invoicing:** The reseller shall be paid upon the completion of all of the following:
 - a) Submission of an original and the specified number of copies of a properly itemized invoice showing the contract and purchase order numbers,
 - b) Delivery and acceptance of the commodities and
 - c) Proper and legal processing of the invoice by all necessary state agencies.
 - d) Invoices must be sent to "Invoice To" point shown on the purchase order.
 20. **State Property:** Does not apply to this contract form, and therefore has been deleted.
 21. **Patents or Copyrights:** The contractor agrees to indemnify and hold the state harmless from all claims, damages and costs including attorneys' fees, arising from infringement of patents or copyrights.
 22. **Assignment:** Any contract entered into pursuant to this negotiation is not assignable nor the duties thereunder delegable by either party without the written consent of the other party of the contract.
 23. **Other Remedies:** In addition to the remedies outlined herein, Manufacturer and the state have the right to pursue any other remedy permitted by law or in equity.
 24. **Lack of Funds:** The state may cancel this contract to the extent funds are no longer legally available for expenditures under this contract. Any delivered but unpaid for goods will be returned in normal cognition to the contractor by the state. If the State is unable to return the commodities in normal condition and there are no funds legally available to pay for the goods, the contractor may file a claim with the Arkansas Claims Commission. If the contractor has provided services and there are no longer funds legally available to pay for the service, the contractor may file a claim.

25. **Discrimination:** In order to comply with the provision of Act 954 of 1977, relating to unfair employment practices, the bidder agrees as follows
- a) the bidder will not discriminate against any employee or applicant for employment because of race, sex, color, age, religion, handicap, or national origin;
 - b) In all solicitations or advertisements for employees, the bidder will state that all qualified applicants will receive consideration without regard to race, color, sex, age, religion, handicap, or national origin;
 - c) the bidder will furnish such relevant information and reports as requested by the Human Resources Commission for the purpose of determining compliance with the statute;
 - d) failure of the bidder to comply with the statute, the rules and regulations promulgated thereunder and this nondiscrimination clause shall be deemed a breach of contract and it may be cancelled, terminated or suspended in whole or in part;
 - e) the bidder will include the provisions of items (a) through (d) in every subcontract so that such provisions will be binding upon such subcontractor or vendor.
26. **Contingent Fee:** The manufacturer guarantees that they have not retained a person to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, except for retention of bona fide employees or bona fide established commercial selling agencies maintained by the bidder for the purpose of securing business.
27. **Antitrust Assignment:** As part of the consideration for entering into any contract pursuant to this Invitation for Bid, the bidder named on the front of this Invitation for Bid, acting herein by the authorized individual or its duly authorized agent, hereby, assigns, sells and transfers to the State of Arkansas all rights, title and interest in and to all causes of action it may have under the antitrust laws of the United States or this state for price fixing, which causes of action have accrued prior to the date of this assignment and which relate solely to the particular goods or services purchased or produced by this State pursuant to this contract.
28. **Disclosure:** Failure to make any disclosure required by Governor's Executive Order 98-04, or any violation of any rule, regulation, or policy adopted pursuant to that order, shall be a material if the terms of this contract. Any contractor, whether an individual or entity, who fails to make the required disclosure or who violates any rule, regulation, or policy shall be subject to all legal remedies available to the agency.
