SELLING TO COOPERATIVE PURCHASING PROGRAM PARTICIPANTS

The contractor therefore agrees to sell to Cooperative Purchasing Program participants at the option of the program participants. Unless otherwise stated, all standard and special terms and conditions listed within the Request for Quotation must be equally applied to such participants.

ESTIMATED QUANTITIES

The quantities set forth in this Request for Quotation are estimated quantities for a 12-month period. All items showing no usage for this period will show a minimum estimated quantity. After verbal notification from the Office of State Procurement of intent to award, vendor to provide written documentation of all paper costs. Documentation should be from paper house(s) to vendor. This information will be used in calculating cost increases or decreases during the term of the contract and will be kept confidential within the Office of State Procurement. PRICE CHANGE CLAUSE

The contractor confirms that his company and any subcontractors will guarantee full disclosure and benefit of any and all paper price decreases passed along from the mill or supplier.

No price increases will be authorized during the initial 120 days of the contract. In the event of an industry wide paper price increase, the contractor may request a paper cost increase, but must furnish a written request including all documentation to support the cost increase. Price increases which are approved will become effective within the (10) working days after date of written authorization from the Office of State Procurement. Any price increase will remain firm for a period of not less than sixty (60) days.

Paper price information supplied by the successful bidder at time of award will be used as the basis for any cost increases or decreases authorized by the Office of State Procurement during the term of this contract and any subsequent periods of extension. The Office of State Procurement will review the price of paper on a regular basis. When market conditions indicate that a reduction in cost is warranted, the contractor will be required upon written notification from the Office of State Procurement to lower his price for paper on all jobs in production and on all future jobs until such time as an authorized change in cost is made or the contract is terminated. The actual amount of decrease in cost will be in direct proportion to the change in the marketplace. The contractor may be required to provide documentation of the prices paid for paper either by his company or his subcontractor.

TERM AWARD TERMS AND CONDITIONS

1. **GENERAL:** All terms and conditions stated in the invitation for bid govern this contract.
2. **PRICES:** Prices are firm and not subject to escalation, unless otherwise specified in the invitation for bid.
3. **DISCOUNTS:** All cash discounts offered will be taken if earned.
4. **TAXES:** Most state agencies must pay state sales tax. Before billing, the contractor should contact the ordering agency to find out if that agency must pay sales tax. Itemize state sales tax when applicable on invoices.
5. **BRAND NAME REFERENCES:** The contractor guarantees that the commodity delivered is the same as specified in the bid.
6. **GUARANTY:** All items delivered are to be newly manufactured, in first-class condition, latest model and design, including, where applicable, containers suitable for shipment and storage unless otherwise indicated in the bid invitation. The contractor guarantees that everything furnished hereunder will be free from defects in design, workmanship, and material; that if sold by drawing, sample or specification, it will conform thereto and will serve the function for which furnished. The contractor further guarantees that if the items furnished hereunder are to be installed by the contractor, such items will function properly when installed. The contractor also guarantees that all applicable laws have been complied with relating to construction, packaging, labeling, and registration. The contractor's obligations under this paragraph shall survive for a period of one year from the date of delivery, unless otherwise specified in the invitation for bid.
7. **AWARD:** This contract award does not authorize shipment. Shipment against this contract is authorized by the receipt of a purchase order from the ordering agency. A written purchase order mailed or otherwise furnished to the contractor results in a binding obligation without further action by either party.
8. **DELIVERY:** The term of the contract is shown on the face of the contract award. The contractor is required to supply the state's needs during this term. The number of days required to place the commodity in the receiving agency's designated location under normal conditions is also shown. Consistent failure to meet delivery without a valid reason may cause removal

from the bidders' list or suspension of eligibility for award.

9. **BACK ORDERS OR DELAY IN DELIVERY:** Back orders or failure to deliver within the time required may be default of the contract. The contractor must give written notice to the Office of State Procurement and ordering agency of the reason and the expected delivery date. If the reason is not acceptable, the contractor is in default. The Office of State Procurement has the right to extend delivery if reasons appear valid. If the date is not acceptable, the agency may buy elsewhere.
10. **DELIVERY REQUIREMENTS:** No substitutions or cancellations are permitted without written approval of the Office of State Procurement. Delivery shall be made during agency work hours only, 8:00 a.m. to 4:30 p.m., unless prior approval for other delivery has been obtained from the agency. Packing memoranda shall be enclosed with each shipment.
11. **STORAGE:** The ordering agency is responsible for storage if the contractor delivers within the time required and the agency cannot accept delivery.
12. **DEFAULT:** All commodities furnished will be subject to inspection and acceptance of the ordering agency after delivery.
