**STATE OF ARKANSAS AGENCY GUIDELINES**

1. ORDERING VEHICLES: All vehicles as defined by Arkansas Code Annotated of 1987 section §22-8-206, will be ordered by the Department of Finance & Administration, Administrative Services. Vehicles not covered by Arkansas Code Annotated of 1987 section §22-8-206, will be ordered by Ordering Agency after notifying the Office of State Procurement.
  - 1.1 Ordering - A state agency purchase order(s) and all necessary supporting documents will be sent to the AR Department of Finance and Administration, Office of Administrative Services.
  - 1.2 Options - Purchasers shall select preferred options listed in addendum and include the following information in their procurement request:
    - a. Title, number, and date of this specification.
    - b. Title, and number of the addendum.
    - c. Numbers and descriptions of the options selected.
  - 1.3 Exclusivity - This specification shall, until revised or rescinded by the Office of State Procurement, apply to each future purchase and/or contract of those commodities described herein.
2. ADDITIONAL OPTIONS NOT SPECIFIED: Agencies/Awarded Vendors cannot add options to vehicle purchases from this contract unless the option is referenced within this contract for that vehicle.
3. ONE TON VEHICLES: Except for agencies that are exempt, it is required when agencies are ordering One (1) Ton vehicles from this contract that the original approved MV-6 form and a copy of the agency purchase order be sent to the Office of State Procurement, attention: Vehicle Buyer.
4. OTHER VEHICLES: Vehicles which do not conform to the State of Arkansas Standard Specifications and have been approved for purchase will be bid on an individual basis.

**COOPERATIVE PURCHASING PROGRAM PARTICIPANTS**

1. SELLING TO COOPERATIVE PURCHASING PROGRAM PARTICIPANTS

Arkansas Procurement Law provides that local public procurement units (counties, municipalities, school districts, certain not-for-profit corporations, etc.) may participate in state purchasing contracts. The contractor(s) therefore agree(s) to sell to Cooperative Purchasing Program Participants. Unless otherwise stated, all standard and special terms and conditions listed within the contract award must be equally applied to such participants.

2. COOPERATIVE PURCHASING PROGRAM PARTICIPANTS NOTE

In order to provide the discounted prices offered in this procurement package to both the State and the Cooperative Purchasing Program participants, the awarded vendor must receive timely payment, payment for partial shipment on multiple vehicle orders, and have all required approvals obtained prior to order placement. All these conditions are being met by state agencies, who are required to have sufficient funds and approvals before orders are placed and to make prompt payment for vehicles as received. It is incumbent upon Cooperative Purchasing participants to have all approvals obtained and funds available to complete the purchasing transaction in a prompt manner. Most of the dealers have fifteen days from the time a vehicle leaves the factory to pay the manufacturers. In order to continue to receive the fleet pricing, you must ensure prompt payment for each vehicle as it is received.

3. DELIVERY TO ARKANSAS COOPERATIVE PURCHASING PROGRAM PARTICIPANTS:  
FOB DEALERSHIP

Arkansas Cooperative Purchasing Participants will have the option to pick up vehicle(s) at dealership location or have vehicle(s) delivered to the ordering agency location with a charge per mile added to each vehicle. Failure to deliver the vehicle within the stated time may result in cancellation of the order of vehicle(s). If cancellation occurs, the Office of State Procurement may purchase the vehicle(s) from another source and charge the difference (if any) to the defaulting contractor.

**AUTOMOBILES VANS AND TRUCKS**

1. TERM OF CONTRACT: Term of this contract will be October 3, 2008 through June 30, 2009 or mfg cut-off dates for ordering. Availability of individual line items will depend on factory order cut-off dates. Many items will have early cut-off dates starting as early as February through April of 2009. Upon mutual agreement, contract for individual items may be extended up to two (2) additional years, or a portion thereof in accordance, in one year increments, with the terms of the original contract.
  
4. WARRANTY: The supplier warrants each vehicle to be of good material and workmanship and agrees to promptly replace any part or parts, when the vehicle is returned to the suppliers place of business or a pre-approved location, which by reason of defective material or workmanship shall fail under normal use, free of negligence or accident, for a minimum period of thirty-six (36) months or 36,000 miles, whichever comes first, from the date of delivery. If such failure renders the vehicle incapable of being driven, the supplier will be responsible for having the vehicle transported to his place of business. If such failure takes place outside the suppliers service area, the supplier will be responsible for reimbursing the nearest authorized dealer for services rendered under this warranty. Tires are exempt from this warranty but must be covered by the tire manufacturer's standard warranty and services provided by the local authorized dealer of the tire manufacturer.  
  
NOTE: THIS WARRANTY APPLIES TO POLICE PURSUIT VEHICLES STARTING WITH THE DATE THE VEHICLE IS PUT IN SERVICE, NOT DELIVERED DATE.
  
5. ACKNOWLEDGEMENTS AND PAYMENTS: Awarded vendors must send, to the ordering entity, an order acknowledgement within 10 days after receipt of order. Upon delivery of the vehicle, the vendor is required to provide original invoice, odometer statement, certificate origin and any other documentation required to license and pay sales tax on vehicle. To ensure prompt payment, vendor must provide a copy of the invoice and the signature of agency representative on a copy of the purchase order or any other receiving document and date received to the "bill to address".
  
6. DELIVERY TO ARKANSAS STATE AGENCIES: F.O.B. DESTINATION: Contract price must include delivery of all vehicles to the ordering agency regardless of location within the State of Arkansas. Failure to deliver the vehicle within the stated time may result in cancellation of the order of vehicle(s). If cancellation occurs, the Office of State Procurement may purchase the vehicle(s) from another source and charge the difference (if any) to the defaulting contractor.
  
7. PRICE INCREASES: Price increases will be allowed if the manufacturer has a general price increase on any model on the contract. However, the price increase must be documented by a letter from the manufacturer and only that amount will be allowed. The effective date of the increase will be 10 days after Office of State Procurement accepts it. The successful vendor(s) must guarantee that the ordering agency will receive the full general price decrease or rebate amount the manufacturer offers on any vehicle(s) within this contract.
