

**Instructions for Other States
Arkansas Software LAR Contract
SP-09-0208**

Who is eligible to participate?

- Any state that requests and obtains permission from the Arkansas Office of State Procurement.
 - Please contact Camber Thompson at (501) 683-0084 or camber.thompson@dfa.arkansas.gov.

What software publishers are included?

- There are nine publishers included:
 - Adobe
 - Computer Associates
 - Corel
 - IBM/Lotus
 - Microsoft
 - McAfee
 - Oracle
 - Symantec
 - Trend Micro
- All software products will be available within each publisher's line.

Is there any training or other services available?

- Yes, training and value-add services are available under this contract. Please review the contract website for details.

If our state participates will the contract be mandatory?

- No. Each state will have the ability to determine if they want to make all or part of the contract mandatory or non-mandatory.

When does the new contract start?

The contract is under evaluation and will begin on May 2nd, 2009.
