FHD - Residential Delivery Surcharge - Commercial ( each package )	\$1.95
FHD - Delivery Surcharge ( DAS )	\$2.30

## NOTES

- Note 1 - The rates in Tables 1 - 6 apply on package shipments between points identified by the Zip Code prefixes in Carrier's Zip-to-Zone Conversion Tariff ( FedEx 100, including its supplements and succeeding tariffs ). The Zip-to-Zone Conversion tables are available through the FedEx homepage [www.fedex.com](http://www.fedex.com).
- Note 2 - The rates in Tables 1 - 5 are base rates for the transportation of packages released to a value not exceeding \$100.00 per package. For packages with declared values in excess of \$100.00, add a charge of \$0.60 for each \$100.00 or fraction thereof of valuation in excess of \$100.00.
- Note 3 - The rates published in Table 1 & 2 above will be superseded by the rates in Table 6 for any aggregation of package shipments weighing two hundred ( 200 ) pounds or more when all of the packages in the aggregation are shipped to a common five-digit Zip Code on the same day, provided that application of the rates in Table 6 result in lower rates for the Shipper.
- Note 4 - When the rates in Table 6 apply, a minimum charge for each shipment ( excluding accessorial and declared value charges ) will be assessed. The minimum charge will be the greater the charge per shipment as detailed in Table 6 or the hundredweight rate calculated on the basis of an assumed average package as detailed in Table 6.
- Note 5 - The rates in Tables 1 through 6 do not include accessorial charges. To determine the applicability of and the charge for Pickup Service, Hazardous Material Surcharge, Address Correction, Acknowledgment of Delivery, Recall of a Prior Delivery, Electronic Recall of a Prior Delivery, C.O.D., Service ( U.S. and Canada ) Residential Deliveries, Pre-Delivery Alert, and Missing or Invalid Account Number refer to Table 7. For more details on accessorial definitions and restrictions, see the FedEx homepage at [www.fedex.com](http://www.fedex.com).
- Note 6 - Transportation charges may be assessed based on dimensional weight, which is a volumetric standard. Dimensional-weight pricing is applicable on a per-package basis. Dimensional weight is calculated by multiplying length by width by height of each package ( all in inches ). If the total is 3 cubic feet ( 5,184 cubic inches ) or larger, divide by 194 for shipments within the U.S. and Puerto Rico or 166 for shipments to Canada. ( If the total is less than 5,184 cubic inches, dimensional weight does not apply. ) If the dimensional weight exceeds the actual weight, charges based on the dimensional weight will be assessed. Dimensions of one-half inch or greater are rounded up to the next whole number; dimensions less than one-half inch are rounded down. The final calculation is rounded up to the next whole pound.
- Note 7 - The rates in Tables 1 through 6 do not include additional handling charges. A \$6.50 charge for additional handling will be assessed on each shipment of any package measuring greater than 60 inches in length but equal to or less than 108 inches in length; has an actual weight of greater than 70 pounds; any article not fully encased in an outside shipping container; any article that is encased in an outer shipping container made of metal or wood. The surcharge also applies to any drum or pail (less than five gallons) that is not fully encased in an outer shipping container made of corrugated cardboard.
- Note 8 - A \$45.00 charge for oversize packages will be assessed on each shipment of any package, weighing 150 pounds or less and measuring greater than 130 inches in length and girth. The shipping charges for an oversize package will be based on the greater of the package's actual rounded weight and its dimensional weight.
- Note 9 - Any rates or surcharges for services not specifically mentioned in this tender shall be the current published rates. For details on these rates, or any other details not specifically mentioned in the tender, please contact your FedEx Account Representative, Customer Service ( 1-800-463-3339 ), or visit the FedEx home page at [www.fedex.com](http://www.fedex.com).
- Note 10 - The rates in Table 3 & 4 above apply on package shipments from points identified by the Zip Code prefixes in Carrier's Zip-to-Zone Conversion Tariff ( FedEx 100, including its supplements and succeeding tariffs ) to points in Hawaii, Alaska, and Puerto Rico. Rural zip codes in Hawaii have an \$11.00 surcharge/pkg. Rural zip codes in Alaska have an \$30.00 surcharge/pkg 1-70 Lbs, and a \$100.00 surcharge/pkg 71-100 Lbs. For specific rural zip codes for these locations, contact customer service or the FedEx homepage.
- Note 11 - The rates in Table 5 above apply on package shipments from points identified by the Zip Code prefixes in Carrier's Zip-to-Zone Conversion Tariff ( FedEx 100, including its supplements and succeeding tariffs ) to points in Canada. There will be a \$65.00 Delivery Service Charge assessed to the Zone 54 rate on any package bound for the Yukon, Northwest Territories or Labrador. Packages to these destinations cannot exceed 70 pounds.
- Note 12 - The Residential Delivery Service Charge applies to shipments to a home or private residence, including locations where a business is operated from a home.
- Note 13 - Undeliverable shipments may be returned via FedEx Ground service at the Payor's expense. Shipments will be returned via FedEx Ground service at no additional charge if the shipment is undeliverable because of damage to the shipment caused by FedEx. However, if the shipment is undeliverable for any other reason, FedEx Ground reserves the right to assess return transportation charges and fees to the original payor, along with the original transportation charges and fees. FedEx money-back guarantee policy does not apply to undeliverable or returned shipments. If a shipment cannot be delivered or returned or if the shipper or recipient cannot be contacted, the shipment may be transferred or disposed of by FedEx by its sole discretion, with or without notice, and the shipper, if known, agrees to pay any costs incurred in the disposal. For more details on undeliverable terms and conditions, see the FedEx homepage at [www.fedex.com](http://www.fedex.com).
- Note 14 - The fuel surcharge will be based on the spot price for on-highway diesel fuel. The fuel surcharge percentage for FedEx Ground services will be subject to monthly adjustment based on a rounded average of the national U.S. on-highway average price for a gallon of diesel fuel. Fuel Surcharge percentages and associated trigger points are subject to change without notice. See the Ground Tariff for more details. FedEx reserves the right to assess fuel and other surcharges on shipments without notice. The duration and amount will be determined by our sole discretion. By tendering your shipment to FedEx you agree to pay the surcharges, as determined by FedEx. The fuel surcharge rate, if applicable, is available at [www.fedex.com](http://www.fedex.com).
