Part II Detailed Listing of Activities

Professional Development Hours (PDH) earned from: January 1, 2009 to present

All actvities must be relevant to the practice of engineering and may include technical, ethical or managerial content. This part may be duplicated if necessary. Do not send documentation of these activities. Documentation will be requested if you are selected for audit. See Article 20 of the Rules of the Board for further information.

Dates Mo/Day/Yr	Sponsoring Organization's Name/Location (City and State)	Activity, Title & Description	Unit Type Indicate A,B, Etc.	Engineer PDH Units Claimed (rounded to .5)

Unit Conversion		
A.	1 College or unit semester hour	45PDH
B.	1 College or unit quarter hour	30PDH
C.	1 Continuing Education Unit (CEU)	10PDH
D.	Each hour in course work, seminars, professional, management, or technical presentations attended during meetings, conventions, or conferences.	1 PDH
E.	For teaching, apply a multiple of 2 (this credit is valid for teaching a course or seminar the first time only).	
F.	Each published paper, article or book	10PDH (max.)
G.	Active participation in professional and technical society as a committee member or officer (each organization).	2PDH
H.	Each Patent Granted.	10PDH (max.)

Part III		TOTALS:
a.	Total PDH claimed this year.	0.0
b.	PDH carried forward from previous renewal (see page 1 above your name).	0.0
c.	Total available credit this year (line a+b). PE registrant must have a minimum of 15 PDH units in engineering per year.	0.0
d.	Total carried forward to next year (a maximum of 15 may be carried forward).	0.0
