NOTICE OF INTENT TO ISSUE
A REQUEST FOR QUALIFICATION
FOR PROFESSIONAL ENGI-
NEERING SERVICES
FOR WATER AND WATER
SYSTEM ANALYSIS FOR
EMERGING CONTAMINANTS
IN SMALL AND DISADVAN-
TAGED COMMUNITIES
455-RFQ-2501

The Arkansas Department of Agriculture's Natural Resources Division is soliciting responses from qualified consultants to provide Professional Engineering consulting services for water system analysis for emerging contaminants in Small and Disadvantaged Communities, as defined by the TSS Division of Building Authority, Minimum Standards and Criteria (MSC). Services shall generally include, but not be limited to, providing expert and technical managerial assistance in Clean, Safe and Reliable drinking water throughout the State of Arkansas.

Consultant shall develop and provide preparation of a system analysis for financial and managerial capacity, provide application processes and creation of a project priority list and processes to simplify administrative procedures for emerging contaminants projects.

A detailed request for qualifications (RFQ) package will be provided to interested parties

provided to interested parties outlining the submittal requirements and selection methodology. Responses received for this RFQ will be used to screen prospective consultants and select finalist for interview in accordance with the MSC. The Agency reserves the right to award one or more contracts under this solicitation and to negotiate fees on a percentage basis, lump sum basis or an hourly not-to-exceed basis on individual project assignments as appropriate for the contemplated work.

The deadline for submitting detailed responses to this RFQ will be 2:00PM CST on September 17, 2024.

The State of Arkansas supports equal opportunity in the participation in all areas of capital improvements, therefore, minority and women's business enterprises are encouraged to participate.
